

A WORLD OF OPPORTUNITIES FOR YOUNG MEN

No. 10 13 June 2018

**From the Principal**

The examinations for the end of semester are completed or well under way for most students, immediately after which the work of second semester commences. Students will be issued with new timetables for the second semester classes.

Today VCE students doing Units 3 and 4 undertake the General Achievement Test (GAT). Semester reports will be available to families online after 3.30pm on Thursday 28 June. There is a meeting this Thursday 14 June in Rivergum Theatre for parents and students considering the VCAL pathway in 2019.

The Year 7 Parents Dinner took place on Thursday 1 June in the Yarangabee Centre at our Bundoora campus. Thanks to the Parents of Parade Committee for assisting our staff with the presentation of the evening.

The ACC Term 2 sports fixtures in Football and Soccer are gradually coming to an end and staff are preparing for the third term sports of Hockey, Basketball and Table Tennis. It is a good sign that we have six Football teams and four Soccer teams from different year levels playing in grand finals in the next few weeks.

Please note that by the time of the next *Newsletter* we will have commenced work on a number of projects, which will entail a construction zone for the third term. We are

planning an extension to the College chapel on the north side of the Bond Centre, and the landscaping of the Waterford Park area and north side of the Bond Centre to provide enhanced facilities for students at recess and lunchbreak.

### Road to Reconciliation 2018

On Wednesday 30 May Parade College hosted our second "Road to Reconciliation" event. We welcomed students from St Kevin's College Toorak, St Joseph's College Geelong, St Patrick's College Ballarat, Santa Maria College Northcote, Mercy College Coburg, and St Pius X Primary School West Heidelberg.

The day began in the Indigenous Garden where our College Torchbearer for 2018, Jamaica Ilsley (Year 12 L08), welcomed everyone to Parade, and Uncle Trevor Gallagher acknowledged the original owners of the land, the Wurrundjeri people.

A highlight of the day included a keynote presentation from Sherry Balcombe from Aboriginal Catholic Ministry. Students and staff were moved and challenged by her presentation which outlined some of injustices of the past, including those that happened in her own family.

*Pictured above: Tommy Le Yr12 H09, James Derman Yr11 H03, Abdul Kassem Yr10 H08, Tate Little Yr8 B14 and Jarra Morrison Yr10 B01*

As well as group work, where the students shared reflections and ideas, we also had a panel of distinguished people, including Old Paradians Matthew and Jayden Lyllist and Evajo Edwards and Muriel Bamblett from the Victorian Aboriginal Childcare Agency. The panel discussion was facilitated by senior Aboriginal student and event organiser, Rylie Cadd (Year 11 T02).

The students asked some thought provoking questions and, as a large proportion of them were Aboriginal, the panel encouraged students to be their best selves and to take on leadership roles in their communities.

*Pictured Above: Event Organiser, Rylie Cadd Yr11 T02, speaking to students and guests*

Our Road to Reconciliation day finished with a "Long Walk" where we re-enacted Michael Long's 2004 walk from Melbourne to Canberra together.

### Comboni Sisters' Nzara Hospital Fundraiser

On Sunday 3 June Michael Donato (College Captain 2017), Aidan Hrup and Callum Holmes (Vice Captains 2017) joined Deputy Principal Andy Kuppe at a fundraising luncheon at the Abruzzo Club for the Comboni Sisters' Hospital in Nzara, South Sudan.

*Pictured above L-R: Dr Daniel Doyle, Aidan Hrup, Michael Donato, Callum Holmes and Andy Kuppe*

These past students were the ones who chose the hospital as the major beneficiary of Parade College fundraising efforts for 2017-18.

Last year the Parade community raised \$35,000.00 for the hospital, which went towards the installation of a solar power system.

Dr Daniel Doyle, who has visited the hospital several times and who liaises with the Edmund Rice Foundation about the needs of the hospital, discussed that the solar system means that with reliable power, the hospital no longer has to function by torchlight. He described women giving birth with only a torch to light the room.

Dr Daniel also discussed his passion for building an operating theatre at the hospital, so that people in the region will no longer die of curable conditions such as appendicitis or obstructed births.

The 2018 Prefect Team is determined to raise \$50,000.00 to celebrate 50 years at Bundoora campus, and will be doing their best to mobilise the support of the entire community for the Solidarity Walk on Friday 24 August.

## Night of Excellence

The ancient past came to Parade College at the Night of Excellence on the evening of 22 May when the students of Year 7 Altior Humanities presented to parents, families, and staff of Parade College, a history of ancient Rome from its origins to the fall of the Western Empire.

In a little over two hours, each student provided a snapshot of over a thousand years of history examining the early foundations of Rome, through its period of kings, exploring Republican Rome and then investigating the ascendancy of Imperial Rome before its downfall in 476CE.

Not only did the students provide a chronological history of Rome they also created their own display stations on an aspect of Roman society, history, culture or technology that engaged them.

Students created a range of interesting displays from dioramas of the Seven Hills of Rome, a model of an aqueduct to an examination of representations of Rome in modern cinema. It would be true to say that for the 'friends, Romans and countrymen' (and women) who lent their ears on that evening, many would have come away learning a bit more about the ancient past!

## Writers' Opportunity

Parade students have the opportunity to enter writing competitions with cash prizes for outstanding responses.

**The John Button School Prize** awards the best essay on a subject concerning Australia's future by a Victorian student who is in Years 10 to 12 and is younger than 19.

Essays submitted for the School Prize will discuss Australian politics or policy. They might address such topics as Australia's population, climate change, reconciliation with Indigenous Australians, water, asylum seekers, education, health, the state of the arts — big ideas for Australia's future.

For further information about The John Button Fund and last year's winner and runner's up see the Melbourne School of Government's Web Page

<https://arts.unimelb.edu.au/scholarships/prizes-and-scholarships/john-button-school-prize>

Entries close 25 June 2018.

**LaTrobe University Writers' Awards 2018** is for Year 10 writers of fiction. The topic is "One Year Later" and entrants are invited to be as creative as they wish.

First prize is \$500 and there are also cash prizes for second and third place.

Entries close 24 August 2018.

Students who are interested in either competition should see Mr Moore for further details.

## Year 11 Business Showcase

On Monday 28 May the Commerce Faculty held its annual Year 11 Business Showcase. As part of the Unit 1 Business Management Course, students are given the task of completing a business plan for a business idea they have. The best students from each class are invited to compete in the Showcase.

From Mr Daquino's class the finalists were

- **Elian Cagliero (L09)**
- **Harry Singh (L05)**
- **Mathew Dell'Albani (L01)**

From Mr Simpson's class the finalists were

- **Thomas Maruff (B05)**
- **Ryan Putto (T07)**
- **Matthew Maiolo (H06)**
- **Christian Vlahopoulos (T08)**

And from Ms Morello's class the finalists were

- **Kyle Murdoch (H06)**
- **Alexander Bullock (B01)**
- **Ethan Michael(L09)**
- **Julian Pizzo (H01)**

On the night these students presented their business plans to the three judges, Daniel Beraldo, (old Paradian) from Beraldo Coffee, Leanne Daquino, former Bakers Delight business owner, and Lance Nilsson, staff member. The student presentations were very impressive and the judges spoke highly of the business acumen of our finalists. After some deliberation the judges awarded prizes as follows;

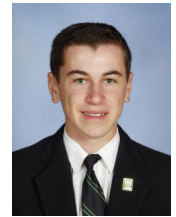

<b>First prize</b>	<b>Thomas Maruff</b>
<b>Second prize</b>	<b>Elian Cagliero</b>
<b>Third prize</b>	<b>Matthew Maiolo</b>

Congratulations to the Showcase winners and to all the finalists who demonstrated excellent application of the business concepts covered in class.

## Student Experiences

On Monday 28 May I had the pleasure to be selected to participate in the Year 11 Business Management 'Business showcase' night. Eleven students presented their business ideas to three judges who would rank the top three business plans to win a prize. My business was called 'Restore' and it is solar powered electronic device charging stations around Melbourne that would also offer free Wi-Fi. The judges said that they liked my idea for its uniqueness and my ability to find a gap in the market. I was lucky enough to place second with my business idea and win a \$50 gift card. I found this experience nerve racking at first, but once I got to the second judge I felt confident in my idea and presented it with confidence. This was a beneficial experience that has given me insight into the world of business that can help me in the future.

**Elian Cagliero**  
**Year 11 L09**

The Business Showcase was a great opportunity to present my business idea 'Cricket Central' to judges and get feedback. It was a good chance to improve on my public speaking skills by presenting to the three judges and gave me an opportunity learn more about the topics we were learning in class.

## Community Action Report

### Year 10 Edmund Rice Community Action Program

Thursday 31 May was the last week of a five week placement for the Term 2, Year 10, Community Action students, and what an experience it was for many of them. I heard many wonderful accounts of how they interacted with residents and added to the life of the aged care facility or community group they worked with. Many supervisors sent complimentary emails about the students' levels of engagement and behaviour. I acknowledge, and am grateful to, the staff in these agencies that work with our students as I recognize the time and effort it takes.

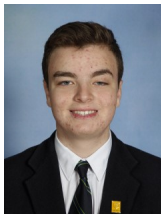

Many thanks to the Year 10 RE teachers, Ms Christina Marazita, Mr Gaetano Caruso, and Mr Jacob Williams for preparing their students and guiding them over the five weeks.

I look forward to working with the new group of students next term as they begin their Community Action journey.

**Ms Anne-Marie Morello**  
**Community Action Convenor**

### Student Experiences

Parade is a place where we learn math and English and other important subjects, however, it is also a place where we learn how to shape ourselves for the outside world. This experience of visiting Glengowrie Aged Care was part of this learning. Getting to interact with the residents is part of the Community Action experience, and I can say that during my first week of visiting I felt somewhat nervous about this.

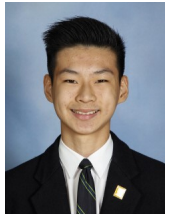

Over my five weeks of visiting the residents, I realised that our relationship had become more of a close friendship. I am also determined to definitely go back and visit my agency after I am finished, as they were some of the kindest people I have ever met. Each day we played bingo as a group, but on the last day, we decided just to talk and get to

know each other. I also learned that the people who work in Aged Care have a hard job, but still manage to be so optimistic. My supervisor, Christina, said that in the morning, she wakes up and goes to work with her second family and that is exactly how she treats the residents- like family.

If there is something I have learned, it is that the way we should act in the world is in a way that makes people's lives better in some small way. This is the learning I gained from my experience in an aged care facility, and I will remember as one of the most important learning experiences of Year 10.

**Dylan Walsh**  
**Year 10 T05**

Initially, I was very anxious when I was asked to play the piano for residents at Bethel Aged Care and I almost decided to not perform. However, I knew that the staff members were really looking forward to this day and that it will bring joy to the residents, so I decided to do it.

It made me so happy that it brought a smile to the resident and staff member's faces. I have also had great conversations with a few residents, just like the conversations I would have with friends. This was an amazing experience and I recommend everyone who is doing community action to bring something to his placements, whether it's entertainment or just a positive outlook.

## From the Director of High Performance Sport

### Term 2 Sports Photos

The Parade ACC Sports Team photos for Term 2 sports will be developed from the students' individual portrait photo taken at the beginning of the year.

To ensure all students who represent the College in a specific team are truly acknowledged, students are asked to check team lists which are posted on the Sports Noticeboard above the Senior Canteen (Bundoora Campus) and on the Sports Noticeboard (Preston Campus).

If a student represented a team, but their name is not included on the team list, then they must see Mr Gaut (Bundoora) or Mr Watson (Preston) by Friday 29 June.

Teams posted are as follows –

- ACC Football – Years' 7 to 12
- ACC Soccer – Years' 7 to 12
- ACC Badminton – Years' 7 to 12
- ACC Senior Golf

### Parade Student Excel on the Sporting Field

Congratulations to Year 10 students Ewan Macpherson (T07) and Ben Major (L08) who have been selected in the U/16 Victorian Metropolitan AFL Team which will play in the National Championships to be held in Victoria and the Gold Coast in the months of June and July. Ewan has also been named Captain of the team.

Both boys will also represent the Year 10 Parade team which plays Whitefriars in the Grand Final on Tuesday 19 June at the Garvey Oval.

Year 9 student Christian Schofield (L12) continues to perform well in the pool and has been selected into the Australian U/15 Water Polo squad. Christian will be heading to the AIS in Canberra to attend a training camp from 27 June to 1 July.

## Year 10 Work Experience - Bundoora Students

This year's work experience program will take place during the week of the 19 to 23 November. Students have been encouraged to begin looking for placements and the activities in their Careers class over the next term should help to provide further ideas for students unsure about what they might like to explore as possible future career options.

Work Experience provides an excellent opportunity for young people to get a sense of the workplace and professions that they are considering and interested in learning more about. In a time where working roles and environments are constantly changing, the opportunity to engage with real working experiences can be so powerful for young people trying to navigate their own futures. If you, or someone you know is willing to host a Work Experience student in your work place, please contact Melinda Williams (9468 -3261) or Sarah Harvey (9468-3310) in the Careers Centre or email [melinda.williams@parade.vic.edu.au](mailto:melinda.williams@parade.vic.edu.au).

## Parade College Careers Website

The Parade College Careers Website holds a wealth of information, resources and links useful to career exploration and personal future thinking. While the website is used as part of the Year 10 Careers Program, all Parade College students have access and are encouraged to make use of this space. It is also where students are directed to book one-on-one appointments with a College Careers Advisor. The website can be accessed through the Student Portal or directly at [www.paradecollegecareers.com.au](http://www.paradecollegecareers.com.au)

## Wellness Wall

### Teenagers, Sport and Gambling

For young people, gambling is not always about money. Instead, it can be about fun, excitement or social acceptance. In more recent times, gambling has been promoted as an integral part of sport with gambling ads regularly sprinkled through sports broadcasts. In March this year, the Federal Government announced the prohibition of gambling ads during all live sports broadcasts between 5.00am and 8.30pm in order to reduce the exposure of these ads to children and young people. This decision came in light of the following facts and figures:

- Gambling advertising creates a misconception among teenagers that gambling is a normal part of sport
- Exposure to gambling advertising is higher for 13 to 17 year olds than for adults
- One in five adults with gambling problems started gambling before they were 18
- Around 4% of teenagers have a problem with gambling

Here are some signs that a teenager might be having problems with gambling:

- Showing signs of depression including isolation from friends
- Obsession with simulated gambling apps and games
- Spending lots of time talking or thinking about gambling
- Experiencing mood swings, feeling stressed when not gambling
- Issues at home around gambling
- Obsessing about odds when watching sport instead of focusing on the game
- Lying or being secretive about gambling activities
- Missing school or grades falling due to time spent gambling
- Borrowing or taking money from family and friends
- Continuing to gamble to win back money they have lost

'Love the Game' is an initiative of the Victorian Responsible Gambling Foundation to prevent the cycle of gambling-related harm that can start at a young age. Parents have an important role when it comes to prevention:

- Instead of talking about odds, talk about the love of the game and who is (or isn't) performing on the field
- Have conversations with your son about gambling (go to [kidbet.com.au](http://kidbet.com.au) for some conversation starters as well as facts and figures)
- For most people, most of the time, gambling is innocent fun with no negative consequences: If you like a flutter, demonstrate responsible gambling

## Parents of Parade (POP)

### Year 7 Parent Dinner

Thank you to the POP parents who assisted in both organising and assisting with the Annual Year 7 Parent Dinner on 31 May. A great night was had by all, bringing together forty-one Year 7 parents and twenty-nine staff members. The evening provided the opportunity to meet teachers and share experiences as new Parade parents.

### 2018 POP Fundraiser

The major POP fundraiser for 2018 is coming soon! WATCH THIS SPACE...

Please watch this space for information including full details of prizes and ticket availability. Be ready to be part of this exciting fundraiser for 2018. Limited number of tickets will be available for sale.

This raffle is the largest prize pool POP has ever created and definitely worth the wait.

### Leave your mark on Parade

Parade Pavers! Join with other members of the Parade community to commemorate your son's connection with Parade College. Leave a permanent reminder of his time as a student or your time as a family at Parade by purchasing a brick paver.

Pavers can be inscribed with the name(s) of your son(s) or your family as a contribution to the College, to remember a significant memory or milestone or as a tribute to a loved one.

Pavers have been laid in the Indigenous Garden near Bunjil Park and newly purchased pavers will be laid in various new garden areas around the College grounds.

For further information and order form see [Parade Pavers](#) link under **POP Links** heading on the Parent Portal.

### METEC Driver Education - Year 10 students

Each year Parents of Parade assists with a one day pre-driver education program for Year 10 students.

Students meet at the Bundoora campus at 8.30am and travel by bus to METEC in Fairfield, returning to the College between 4.30pm and 5.00pm.

The program consists of theory and two driving sessions under the instruction of the METEC trainers.

The day takes place during school holidays and this year will be on Wednesday 26 September (which is the first Wednesday of the school holidays).

Students aged 16 years attending the METEC Driver Education Course may take their Learners Permit test on the day. They must bring the required identification documents, including 100 points of identification.

*places are limited  
please register your interest by emailing

## From The Old Paradians

### Old Paradians' Commit to 2019 Women's Team

The Old Paradians' Amateur Football Club Inc., has made a decision to enter a Women's Senior Grade football side in the Victorian Amateur Football Association competition in the 2019 season.

Community football leagues and clubs provide an opportunity for Senior players to participate in football competitions from social to sub-elite level.

Football is an integral part of many local communities and community football competitions are thriving like never before.

To achieve our aim of entering a Women's side in 2019, we are looking to establish a sub-committee to assist it is meeting this objective. This sub-committee will assist the Club in the following areas:

- establish an implementation plan;
- establish an advertising plan aimed at attracting players and support personnel; and
- assist in the appointment of a coach.

The club is looking for people to join this sub-committee, which would likely meet once a month, to commence this process. Ideally it would like to see women involved in this this sub-committee.

Should you have any interest in joining this sub-committee please contact either of the following:

**Mike Jolley (President)**

### Women of Parade support the Cause

More than ninety women connected with Parade and the wider College community have attended a pre-match Luncheon convened by the Old Paradians' Association Amateur Football Club as part of the club's on-going commitment to broadening the brand.

The Luncheon was held in the newly-refurbished Frank Mount Social Room prior to the match between the Old Paradians and Whitefriars at the Garvey Oval. Guests heard from the football club President Mike Jolley, Old Paradians' Association President Lewis Derrico and Northpark Private Hospital Surgical Nurse Unit Manager Sandra Strange pictured here.

Mike said that the Ladies Luncheon was an integral part of the football club's frenetic social calendar, as had been the case since its inception more than ten years ago.

In his address to Luncheon guests, Mike advised that as part of its Strategic Management plan currently being prepared, the Old Paradians' Association will focus on involving more women in the operation of the club "and expanding its football brand to young women in the community by forming a women's team expected to participate in the 2019 season".

Sandra, meanwhile, talked of the potential for all parties to open themselves to the ever-growing northern corridor.

In addressing guests, Sandra talked of the importance of the strategic alliance involving Northpark, Parade College and

the Old Paradians' Association "to expand our brand into the community".

"Have a look at Plenty Road and the corridor of families and homes that we (Northpark and Parade) have created in this area – we've been here for 30 years and you guys have been here far longer than we have," she said.

"To be involved in community enables us to learn more about ourselves and to see different and challenging ideas because sometimes we do get stuck in our ways . . . and we need different people to show us the way."

Sandra said that the hospital sought to provide localistic care to Parade students "and hopefully invite them into our community", which was in keeping with the big picture for Northpark, "which had been providing care to our community for over 30 years".

"On behalf of Northpark Private I look forward to the partnership that we will forge with Parade to strengthen our forces in the community, make our brands stronger in the community and hopefully help out with health issues for men and women moving forward," Sandra said.

## Delivery of Messages and Unplanned Departure of Students

Parents and Guardians are reminded that timely delivery of messages and/or personal items is not possible due to constant student movement in a Secondary School.

Whilst every reasonable attempt will be made to deliver ***important messages only***, parents are advised that we cannot guarantee timely delivery.

Parents/Guardians arriving unexpectedly requesting to collect students for urgent appointments may face a delay of up to 45 minutes. Please ensure you allow sufficient time prior to the appointment.

## Update Your Contact Details

It is important that we have the most up to date contact details for parents at all times.

If you are moving or you change your telephone number, mobile number or email address please ring our Registrar, Mrs O'Connor, on 9468 3304 or email [registrar@parade.vic.edu.au](mailto:registrar@parade.vic.edu.au) to update your details
