

A WORLD OF OPPORTUNITIES FOR YOUNG MEN

No. 11 19 July 2023

From the Principal

Welcome back to the start of Term 3. On behalf of the College's Leadership Team, I hope you all had a lovely break and were able to spend some quality time with loved ones.

It has been wonderful to see all of our students back at school this term, refreshed after the two week break. I am sure you are looking forward to them returning to school and working hard this term.

Some members of our community have lost loved ones over the holiday break and I extend my sincere condolences to them and their families during this extremely sad time. I hope that you have been able to draw upon the strength and support of your families during this challenging time.

The Term Ahead

This term there are a number of calendared events and we look forward to welcoming you to the College. I have listed some of the events below:

Thursday 20 July

ACC News – Term 2 Results

I congratulate all of the students that tried out for, and those that were successful in making, all of the sporting teams within the ACC Competition in Term 2. Many students put themselves forward and are commended for having a go.

The following teams were very successful and went on to win ACC Premierships:

Senior 1 st XVIII Division 1	AFL
Year 10 Division 1	AFL
Year 9 Division 1	Football (Soccer)
Year 8 Division 1	Football (Soccer)
Year 8 Division 2	Football (Soccer)
Year 7 Division 1	AFL
Year 7 Division 2	Football (Soccer)

A full Sport report can be found later in this *Newsletter*.

Best wishes for the term ahead.

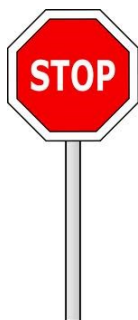

Mr Mark Aiello

Principal

Notification of Extended Absences

Occasionally students will miss an extended period of time during the school term, including for family holidays or travel due to sporting commitments.

While we recognise that these trips offer a range of benefits for the mental health and wellbeing of students, along with an opportunity for them to broaden their horizons and gain new experiences, it is important to consider the impact of extended absences on schooling.

For that reason, when planning extended holidays during term time please contact your son's tutor teacher and classroom teachers as soon as practicable to advise them of the absence, as well as log the absence on PAM.

While there is no expectation that teachers will set work for students who are taking extended holidays, your son should speak with his teachers to discuss the material that will be covered, and he should expect to do some catch up work either before or after the trip to ensure that he doesn't fall behind with his learning.

Students who are absent for assessment tasks will receive an 'NA' for the assessment and may be able to redeem the task to meet the requirements for satisfactory completion of a unit of study.

Please also note that these holidays will be recorded as 'unauthorised absences', even though the student is missing school with parental permission. 'Unauthorised' refers to the fact that the absence is during the scheduled school times.

After parents and carers notify the College of extended absences via PAM, a template letter will be sent out reminding them of the expectations that students catch up on all set work, and noting that for reporting processes the absence is 'unauthorised'.

These letters serve as a reminder of the College's attendance policies, and should not be read as a criticism of the student's

work ethic or engagement. If you have questions about the absence, please contact your son's Tutor Teacher in the first instance.

Parents and Students Trivia 31 August

Please note a change of date to the Trivia Evening originally scheduled for 10 August will now be held on Thursday 31 August.

In support of the Nzara Hospital, and to foster a greater sense of community and connection, parents and students are invited to join the Parade College Trivia Evening on 31 August. This will be a relaxed and fun evening of healthy competition.

Tickets are \$10 each and you are invited to form tables of 10, or buy individual tickets and join a free table on the night. Feel free to bring some snacks and soft drinks with you, or purchase a grazing box to share with your table. More details can be found on the attached poster and via the link below.

From the Assistant Principal - Teaching & Learning

We would like to extend our thanks for your participation in the recent VCE, ERPP/VCE VM student progress interviews. Your involvement and support are crucial in helping our students achieve their full potential.

Thank you for the continued partnership with your son's teachers and we look forward to seeing the continued growth and progress of our students in the coming months.

Families with sons who are not in VCE, VCE VM/ERPP will have their next opportunity for a student progress interview later this Term 3 on 7 September in person and 11 September online.

2024 Subject Selection

Years 7 and 8

In Term 3, Years 7 and 8 students and their families select their elective subject choices for 2024. Changes to core subjects do not form part of subject selection and if your son is currently involved in a specialised program such as Intervention English or Maths, Altior, or Manchester City, then he will continue with this in 2024.

Students will be guided through this process during two Tutor Workshops and Assemblies on 21 July and 28 July. During these workshops, students will be shown information on the College's Subject Selection Website and will have an opportunity to discuss their potential elective choices.

Further information was emailed to families Wednesday 12 July.

Years 9 to 12

Year 9 and 10 students and parents intending to follow a VCE pathway in 2024 will be required to attend one of the three Subject Selection Information sessions and the VCE Expo on Thursday 20 July.

Current Year 11 and 12 students are encouraged to attend from 3.30pm to 4.30pm when they will have access to Parade College VCE and VET staff as well as representatives from a range of tertiary institutions.

Year 9 students who have indicated their preference for the Edmund Rice Pathways Program (ERPP) in 2024 and current Year 10 ERPP students need not attend.

Subject Selection Key Dates

20 July	Subject Selection Information evening for Year 9 into 10 and Year 10 into 11. VCE/Tertiary Expo - Current Year 11 and 12 students are encouraged to attend.
21 July	Subject Selection Tutor Workshop 1 in Tutor period for current Year 7 to 11 students.
28 July	Subject Selection Tutor Workshop 2 in Tutor period for current Year 7 to 11 students.
2 August	Subject Selection online submission due for all year levels at 11.59 pm.
3 August	Acceleration forms are due from Year 9 and Year 10 students.

ONBOARD SAFETY

How to be a good passenger

- Be respectful to bus drivers and don't distract them while they are driving - they have an important job to drive the bus safely.
- If you see something wrong, say something to the driver or call the police.
- Ensure people with special needs can access the priority area.
- When the bus is crowded please move towards the rear.
- Offer your seat to someone that needs it more than you do.
- If there's a seatbelt, wear it - it's the law.
- Safely store your bags to reduce trip hazards.

BUS SAFETY - A SHARED RESPONSIBILITY.

From the Assistant Principal - Student Wellbeing

Welcome back to Term 3! I hope families had some time to rest and rejuvenate as the winter weather sets in!

During the Term 2 break I thought of my Year 10 Religion and Society class and a task we completed earlier in the year where we created a wall of their relaxing and sacred space.

Below are some of our students' Sacred Spaces. Hopefully, you were able to visit your Sacred Space or relaxing place, or at least have it scheduled to visit soon.

Above: (L-R) Hardwicke Bay in South Australia, and Sheep Yard Flats in Victoria are a couple of our students' relaxing and sacred spaces.

College Winter Uniform Term 3

A reminder that students should continue to be in their Winter Academic Uniform throughout this Term.

Please visit the link to purchase any items your son may require. <https://academyuniforms.com.au> .

Above: Winter Academic Uniform

The College Blazer, tie, and winter long sleeved shirts are all essential items as part of our College Academic Winter Uniform and students must wear these to and from school when they are wearing their academic uniform.

Parade College will have Uniform Blitzes throughout the term, checking uniforms as students arrive at school and classes, if necessary, alerting the relevant House Leaders or Wellbeing Leaders of students wearing incorrect uniforms. Your sons' Tutor Teacher may require further clarification or communication. In this case, you may receive a phone call or email.

Year 8 Man Cave

Our Year 8 students across both Campuses engaged with The Man Cave earlier this week.

Year 10 Your Choicez – Respectful Relationships

The Your Choicez seminar is an important part of the development of our students at Parade College. David Kobler engaged our Year 10 students about the issues that society currently face.

Through presentations, group discussions, and break out reflection sessions in their Houses, the seminar covered the topics of Relationships, Sexual Decision Making, Pornography, Consent and Sexual Ethics, Identity and Pressures, and Love.

All Year 10 students across both Campuses engaged positively throughout the day, and the feedback from students and staff was very positive.

For further information please visit the Your Choicez website. <https://yourchoicez.com.au/>

World Youth Day

Five Parade students are participating in World Youth Day between 1 and 6 August in Lisbon with their parishes. We wish them safe travel and a wonderful experience as they gather with people from all over the world.

The prayer below is the World Youth Day prayer- you might like to say it during the event. The students will be asked to share their experiences in an upcoming College Newsletter and College Assembly.

Our Lady of the Visitation, you who left in haste towards the mountain to meet Elizabeth, lead us also to meet all those who await us to deliver them the living Gospel: Jesus Christ, your Son and our Lord!

We will go in a hurry, with no distraction or delay, but with readiness and joy. We will go peacefully, because those who take Christ take peace, and wellbeing is the best wellbeing.

Our Lady of the Visitation, with your inspiration, this World Youth Day will be the mutual celebration of the Christ we take, as you once did.

Make it a time of testimony and sharing, fraternization, and giving thanks, each of us looking for the others who always wait. With you, we will continue on this path of gathering, so that our world will gather as well, in fraternity, justice and peace.

Help us, Our Lady of the Visitation, to bring Christ to everyone, obeying the Father, in the love of the Spirit!

VCE Information for Unit 3 and 4 Students

A reminder to all students undertaking Unit 3 and 4 subjects that all subjects are aiming to complete their courses by the end of Week 8 this Term.

The following week will see the commencement of trial exams on Friday 8 September. This means that a very busy next few months lie ahead, and students should be looking to use every advantage they can.

Wednesday morning study hall periods and after school Nano Nagle Tutoring are two simple ways to assist boys in managing their workloads in the lead up to this very busy time. The trial exam timetable will be published in the next few weeks. Exams will run throughout each day and concluding as late as 5.30pm.

Year 12 Careers Meetings

It is compulsory for all Year 12 students to meet with a Careers Counsellor before the end of Year 12. Students need to make an appointment as soon as possible with Mrs Bult or Ms Barnes to discuss their pathway plans for 2024 and beyond.

Students can book their appointment at <https://paradecollegecareers.com.au>

VTAC

The Victorian Tertiary Admissions Centre (VTAC) is the central office that administers the application processes for places in tertiary courses, scholarships, and the Special Entry Access Scheme at universities, TAFEs, and independent tertiary colleges in Victoria (and a few outside Victoria). VTAC receives and forwards application information and supporting documentation to the relevant authorities at Institutions.

VTAC is not a selection authority, they do not determine the selection criteria used by Institutions, and do not decide who will receive an offer. All decisions about which applicants are offered a place are made by the course selection authorities at Institutions. After selection decisions have been made by the course selection authorities at Institutions, VTAC sends offer messages to successful applicants on the Institutions' behalf.

All students applying to most of the Tertiary Institutions, require a VTAC account. This is available to students from Monday 31 July and closes at 5.00pm on 28 September.

Students will be attending a presentation at school about how to set up an account and I have included a link for students to look at before the meeting. <https://www.vtac.edu.au/applying/account.html>

Year 10 Work Experience

Year 10 Work Experience is on between 13 November and 17 November 2023 and it is compulsory for all Year 10 students at the Bundoora Campus. Students are encouraged to organise their work placements and it would be great for them

to work with family members, friends, local businesses, primary schools, etc.

I would highly recommend that students try to find a placement they are interested in as it may give them greater insight into pathway options for VCE and University. Students can collect a Work Experience form from their Careers teacher or the Careers Office.

If you have any further questions please contact Liz Bult, ebult@parade.vic.edu.au, or Justine Barnes, jbarnes@parade.vic.edu.au

ExCEL Career Voyager excursion to La Trobe University

On Wednesday 12 July Year 9, Career Voyager students visited La Trobe University as part of the Excel program. Students caught the tram from the Bundoora and Preston Campuses and walked with excitement and curiosity to meet the La Trobe staff outside the University library.

The boys were immediately overwhelmed by the size of the University and the many buildings that housed the different faculty areas. They were also very quick to spot the wide range of food eateries available. The groups were divided into two, and each participated in a Microbiology class and a University presentation about Food and Nutrition courses.

In the Microbiology session, students used microscopes to view bacteria from their mouths. This was done by scraping the inside of their cheek, putting the sample on clear film, adding dye to the film, and then viewing it through the microscope. Students thoroughly enjoyed their time in the University Science Laboratory and were extremely lucky to have this experience.

During the Food and Nutrition presentation, students learnt about the Bachelor of Nutrition course and further study in a Masters of Dietetics. Students asked questions about specific foods, and protein powders, and, one of the popular questions was, "Is breakfast really that important?" The answer to this was, Yes!

Students were then given a tour of the Business and Law building, where they were able to sit in the "Moot Courtroom" and we also managed to visit the new sports precinct.

Unfortunately, we were not able to watch the Matilda's train, however, we did get a glimpse of the new facility.

The aim of the excursion was for students to be exposed to a University Campus and gain greater insight into possible future pathway options.

All Year 9 students will participate in the excursion over the next six weeks and each group will experience a different presentation. The upcoming group for Wednesday 19 July will be involved with the Archaeology and Law Faculties.

A reminder for parents to login into their PAM account to sign the permission forms.

Instrumental Music Lessons

Instrumental Music Lessons and Ensembles for Term 3 have now commenced.

Students and families are reminded to check their email, the notice boards in the music departments, and MS Teams for timetables and ensemble rehearsals.

Lessons will appear as a class pass on Simon.

A reminder that your weekly ensemble rehearsal is a condition of the Instrumental Music Enrolment so you must be attending your weekly rehearsal as this is where you get to put into practice your learning in an ensemble setting and prepare for important upcoming performances.

If you are unable to attend a lesson or ensemble rehearsal prior warning is needed and information can be found in the Instrumental Music Handbook.

Students are also encouraged to schedule their lessons in Outlook to ensure they are attending their weekly lessons and ensemble practice. Ensemble is a condition of the instrumental music enrolment and all students are allocated to an ensemble.

If you are not enrolled in music lessons at the college and wish to participate in a college band or ensemble you are encouraged to come along and speak with staff or contact us at music@parade.vic.edu.au to find out more.

OPEN DAYS 2023

Getting the most out of an Open Day

Most institutional Open Days are held in late July and August (see over the page for Open Day dates). However, you are more than welcome to contact an institution to arrange a visit any time.

What happens on an Open Day?

On Open Day you can visit an institution when it's at its best. Everyone is there – academics, lecturers, current students, and information officers. More importantly, you can talk with academics, lecturers, and current students about what certain courses are actually like, and what is required to get into them.

Who should attend an Open Day?

Anyone who is considering studying at a tertiary level in the next few years should attend.

Why should you attend an Open Day?

Apart from the opportunity to obtain course information there are many other reasons why attending an Open Day is a good idea:

- You are going to feel more comfortable arriving at a university or TAFE institute on the first day of classes if you have been there before.
- What is really involved in the course or courses you are interested in?
- If you have to move away from home, where are you going to live?
- Will you be happier studying in a large metropolitan institution or a smaller, perhaps rural institution?
- What does the place 'feel' like? Is it a bustling environment with lots of activity or a quieter, more relaxed campus set in landscaped grounds?
- How are you going to get there? Is it close to public transport or should you start saving now for a car?

If you don't know the answers to any of these questions, then you should attend an Open Day!

How to make the best of Open Days

To make your Open Day visits fun and informative, here are some pointers:

- Write down a list of questions you would like to ask about particular courses.
- Be there early. Crowds tend to develop as the day progresses.
- On arrival, get a map from a central point and ask for directions to the relevant faculties or schools.
- Ask questions!
- Don't spend the day collecting printed information only. Use the opportunity to speak directly with academics before applications close.
- Introduce yourself to selection officers if you feel it is appropriate, but don't be pushy.
- Check out the residential colleges, if available. After all, it is you that will be living there.
- Walk around the campus. Have a good look! See what sporting facilities and other services are available.
- Enjoy the visit!

Not everyone can attend every Open Day and various institutions hold their Open Days on the same date! If you can't attend an Open Day and you are interested in a particular institution, you may visit at other times. If you wish to speak to a particular person, it is essential to make an appointment first.

This information was correct at the time of publication. Students are encouraged to [register soon](#) for the online Open Day events so they can receive important updates.

We had a fantastic finish to the ACC Term 2 Season. Parade qualified for five Division 1 titles, and was successful in all five.

The highlight of the fantastic achievement was undoubtedly our Senior 1st XVIII Footballers (AFL) who became the ACC champions with a thrilling 4 point victory to win our first Senior Football Premiership since 2009.

Senior AFL 1st XVIII

Parade 5.9.39 def St Bede's 5.5.35

In a low scoring tense battle, Parade trailed all game before an inspiring finish saw Parade kick the last three goals of the match to storm home to a memorable victory.

Year 10 AFL

Parade 18.16.124 def St Joseph's Geelong 4.6.30

Another dominant performance by this team in a fantastic undefeated season.

Year 9 Soccer

Parade 4 def Mazenod 2

This team just kept bouncing back all season. At the start of the season, they dropped their first two matches before bouncing back with five straight wins to qualify for a home final. In the final, they went a goal down, before eventually overcoming Mazenod with two extra time goals. This group has now won three consecutive premierships.

Year 8 Soccer

Parade 2 def Salesian 0

The game was a fair reflection of our regular season performances – dominate possession, especially in the first half. In the second half, we wear our opponents down, create more chances, and score more goals, the only difference in the final was Salesian's excellent goalkeeper, stopping further scores. This group has now won back to back premierships.

Year 7 AFL

Parade 4.10.34 def St Bede's 2.2.14

A hard fought victory to cap off an undefeated season.

Year 8 Division 2 Soccer

Parade(2) 1 v Emmanuel 0

Year 7 Division 2 Soccer

Parade(2) 4 v Emmanuel 1

Read, Grow, Inspire: Book Week 2023

This year, the CBCA Book Week theme is “Read, Grow, Inspire” and runs from the 19 to 25 August. As part of Book Week activities, students will have the opportunity to win a daily prize through the Daily Messages by writing micro-stories, and teachers will be sharing stories of a book that has led them to grow, or that has inspired them. We invite all students to jump into a great book this month as we Read, Grow, and Inspire together.

The Dungeons and Dragons Workshop

As part of the Dungeons and Dragons Workshop's afterschool session in Term 2, students were given the opportunity to paint 3D-printed miniature figurines ("minis"). Students were instructed by master mini painter Mr. Chris Sedgman, who also 3D printed the figurines.

Paint and brushes were supplied by Mr. Nathan Spurr who further assisted students in their creations. Students had three minis to paint, including a mimic and a hero, and got to keep all their figurines at the end of the session. We would like to thank the following students for participation in the workshop:

Ian Corlett Year 8 L11
Benedict Raphael Glow Year 8 B18
Daniel John Year 7 H13
Lucas Miatello Year 8 N17

Ethan Moser Year 9 H17

eSports at Parade

Since 2019, Parade students have been competing in competitive eSports through *META* – Mateship, Education and Learning, Talent and Growth, Authentic, an organisation initially set up by the Adelaide Football Club to engage with schools, parents, and government in improving life skills and educational outcomes through students' passion for eSports and gaming.

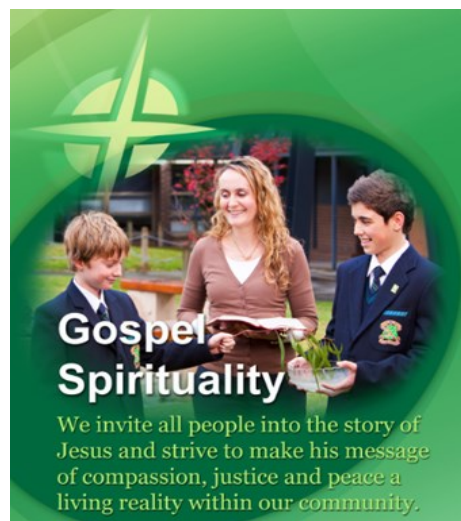

eSports presents students with the opportunity to engage with their local community through a digital network of other like-minded gamers, who are empowered through accountability, collaboration, communication, and organisation. The competition runs for all states in Australia, and in 2023, Parade competed in two eSports; *Valorant* and *Rocket League*.

The Valorant team consisted of Year 12 students Evan Paini L03 (Captain), Michael Coluccio B08, Tristan Duong T08, Alex Carter B08, and Dante Cerullo L09. This team successfully made it to the State quarterfinals, however lost to Glen Waverley Secondary College 2-0.

Two teams competed in the Rocket League tournament, the first being Year 8 students Luke Hicks L12, Christian Katopodis L14, and Jake Frederiksen L12. The second team, consisting of Year 10 students Flynn Hassett B01 (Captain), Riley Giosis T02, Sam Best B07, and Year 11 Will Hinds H08, are having an incredible run of games, making it past the Swiss bracket, then single elimination, and are now in the National Top 8. They play later this month for a chance in the National Finals.

We wish them all the best of luck!

Pavers, Leave Your Mark

We have extended the time for further opportunities to leave a lasting impression on our College grounds, and one that will last a lifetime.

We are reminding families to take up this chance to complete the order form and have it handed in a sealed envelope to reception made out to POP Paver Fundraiser. The orders are collated and submitted to the paver company. The pavers will be made and laid during Term 4 in the Indigenous Garden at the Bundoora Campus.

By having your name imprinted on a paver for the years ahead, you are not only showing your support, but you are also helping the College raise funds so that we can better our school environment and make that positive impact on our students.

The order form can be found at the end of this *Newsletter*.

August Activities

- Working Bee TBC
- Trivia Night Date Thursday 31 August

Further details to follow.

POP Meeting

Please join us at our next POP Meeting on Wednesday 26 July from 7.30pm online via MS Teams. Email me your interest and I will include you on the link.

We do encourage parents and carers to become involved, especially if your students are in the early years at the school - it is a wonderful way to give back to the community and share closer moments for the years to come.

Looking forward to seeing you at our next meeting.

A WORLD OF OPPORTUNITIES FOR YOUNG MEN

Parade College Aboriginal Ties and Scarves

We are very proud to be able to offer the sale of the College Aboriginal Ties and Scarves to our College community.

Designed by Aboriginal Parade students in 2019 and approved with consultation by Wurundjeri Elder Auntie Di Kerr, they tell the Aboriginal story of the Parade College grounds, as told by Wurundjeri Elder Uncle Dave Wandin.

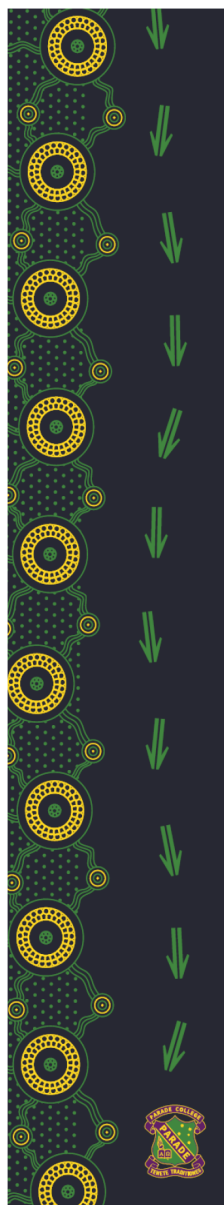

The circles represent the people who lived, cared for, farmed, hunted and travelled on this Country. Aboriginal people lived and met on this Country daily to hunt and sit under the big Red Gums they planted. They exchanged information about land management, what they saw on their daily walks, observed, ate and shared food, weaved and traded.

You can see the kangaroo tracks down the tie, representing the Kangaroos that lived on this land to feed and rest. The Aboriginal meaning of Bundoora is thought to mean where the kangaroos lived.

Ties and Scarves can be purchased from College Reception
\$25 Tie, \$30 Silk Scarf, and \$20 Polyester Scarf

Students are able to wear the Aboriginal Tie in place of their College Tie during Terms 2 and 3

**\$5 from every tie sold will be donated to
Opening The Doors Foundation**
