

A WORLD OF OPPORTUNITIES FOR YOUNG MEN

No. 16 12 September 2018

From the Principal

It was good to see so many fathers and sons at the recent Fathers' Day Breakfast in the Yarangabee Centre. Many thanks to the Parents of Parade committee who joined our grounds and maintenance staff in preparing the breakfast.

Congratulations to the cast and crew of the College dramatic production of *The 39 Steps* on a most entertaining performance. Many thanks to the staff from both Parade and Mercy Colleges who assisted with such an excellent production.

Best wishes to the Parade Cross Country team who compete today at Bundoora Park in the ACC competition. Results will not be available before this *Newsletter* is produced. The third term fixtured sports of Basketball, Table Tennis, and Hockey come to a successful end this week and results will be published in the next *Newsletter*.

We also look forward next week to the *ACCent on Music* Concert in Hamer Hall with participation from all ACC schools in a spectacular music festival. The large Parade contingent has been rehearsing diligently. Booking details are in this newsletter.

I am taking some personal leave for hip replacement surgery from 24 September at least until 2 November. During the final term Mr Andy Kuppe will be acting Principal and Mr Mark Aiello will be acting Deputy Principal.

Next term we will welcome to the staff Mr Daniel Crewther, who will be taking classes for Mrs Lisa Briant during her family leave, and Mr Vin Hedger, who will be replacing a couple of staff members on short term leave periods.

The refurbishment work in Waterford Park at the Bundoora Campus is nearing completion and we anticipate that the facilities will be available for use when next term commences.

Our Year 12 VCE students have their practice examinations next week and need to apply themselves to some rigorous revision over the term break in preparation for the final examinations.

This is the last *Newsletter* for the term and we hope that the break will be a safe and refreshing one for all our students. Classes recommence on Monday 8 October.

2019 JacPLUS - Jacaranda eTextbook Bundle for Years 8 to 10 in 2019

In 2019, Parade College will continue to use Jacaranda's \$110 Digital Bundle as its digital textbook/educational resource provider for students in Years 7 to 10.

This Digital Bundle offers great value as it provides access to eBooks and companion digital learning products across multiple subject areas including Mathematics, Science, English, History and Geography on your son's digital device.

As part of this bundle, your son will receive access to over \$500 worth of educational product that is required for your son for the 2019 school year. Jacaranda Publishing will add all the prescribed eBooks and companion products to your child's existing JacPLUS account.

To ensure that your son's 2019 school year text books and resources are added in time for Parade Headstart Week, you are asked to order and pay the \$110 online via Jacaranda's payment portal by the 23 September 2018.

Booklists with the balance of items will be available in early November and will be required for the commencement of the 2019 School Year.

Details on how to pay for the Jacaranda bundle via the Jacaranda Payment portal have been emailed to families. If you have not received an email please contact Mrs Sheena Wright, eLearning Facilitator, on sheena.wright@parade.vic.edu.au

Your assistance in prompt payment will assist the school in the setting up of the resources for the Headstart period in December 2018.

2019 College laptop allocation for Years 7 and 10 students

Parents will be aware of the College's transition from iPad to laptops for Years 7 and 10 students. In support of students and their families, the College will supply each 2019 Year 7 and Year 10 student with a College laptop device for their individual use at the commencement of 2019.

This fully supported program will allow our students to continue their learning and advancement with an individual laptop device and will conclude our rollout to one to one-laptop devices and finalise our iPad program. The costs of the device will be offset through a subsidised Levy over the three-year period of the device.

Please note the College does not make available fully supported BYOD programs.

More information will be provided to incoming Year 7 parents later in November as part of the enrolment package and to the Year 9 students moving into Year 10 in 2019 in an information package sent out at the end of the year.

If parents have a specific query, please direct your enquiries to the following email address: Laptops@parade.vic.edu.au

Daily support for your son's laptop learning device

The College has recently noticed an increase in repairs required to student's College laptop devices.

Parents can support their son's use of this valuable learning device with the following tips and guidelines.

- Laptops should be turned off and placed on charge each evening at the conclusion of homework so that they are fully charged for the next day.
- Laptops should be used on a desk area with good ventilation for school work. Students should not operate their device in a bed or an area of poor ventilation as this can overheat the device and damage it.

- Laptops should be carried in the supplied protective case at all times and not used whilst travelling on public transport or in public spaces.
- The College laptop device is a learning tool and not to be used for games or non-authorized activities.

Other tips and guidelines for laptop use and care are included in the student's planner. If students have any queries regarding their device they can speak with their Tutor Teacher each morning or see the IT service desk at recess and lunchtimes in the Nash Learning Centre.

2019 new Learning Management System at Parade College

In 2018 the College reviewed a number of the communication tools it uses, including the College Webpage and our Learning Management System. As a result of this review, parents will note a number of exciting advances in 2019. The College Webpage will be updated to provide clearer communication and easier access to a number of links within the community.

The College is in the process of making a transition across to a new Portal and interactive Learning Management System called Simon Schools. This is an exciting step as it will enable parents to interact directly with the College and their sons teachers via the Portal or the Parent Access Module (PAM).

As Simon is rolled out in 2019, parents will be able to interact and rationalise attendance and learning information, booklists and learning resources, update medical and excursion details and make bookings for events such as Parent Teacher Interviews through the one Portal or App via their phone. Simon will offer students and parents more efficient and consistent access to the College and the day to day interactions in their sons education.

Log in details and support information will be sent out via email and through this *Newsletter* later this year and early in 2019.

Year 8 MAV Maths Games Day

On Wednesday 29 September, eight parade boys (*pictured below*) and Mr Elmore headed off to Penleigh and Essendon Grammar School (PEGS) to take part in a maths games competition.

Parade students competed in two teams of four

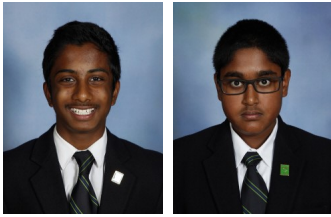

Many schools around Melbourne attended the event, it was fully packed and a lot of fun. There were many problems to be solved and games to play with our opponents. The whole day was amazing.

Our teams came out in 27th place and 31st place, and we were proud of our efforts

'The Stones'

On 14 August, the Year 8 cohort watched a play by Zeal Productions named 'The Stones'. This was part of our RE unit about Morality and Justice.

The play featured two teenage boys who made several wrong decisions which lead to them being charged with manslaughter. The boys were throwing rocks at cars on a freeway when one rock killed a driver. This was based on a true event which happened in 1994.

The actors/writers had done a lot of research about the case and other similar cases to construct this play. They included references to actions teenage boys were familiar with, which enhanced the audience's connection with the plot.

The play focused on the two boys' emotions as they faced the consequences of their actions. The actors also did a great job of switching roles between being the boys and detectives. The characters of the detectives were interesting as they had to balance between being tough on and kind to the boys.

The actors from Zeal Theatre Company mid-performance

At the end of the day, the significant message of the play was to make good decisions and have an informed moral conscience when making decisions. These decisions cause something called the 'ripple effect' which means that one person's actions can cause pain or happiness to a whole community of people.

The play was very enjoyable and it gave us a lot to think about.

Call for Expression of Interest to join the College Board In 2018

Parade College is a member of the national body of Catholic schools known as Edmund Rice Education Australia (EREA).

Parade College, in common with these schools, takes its inspiration from Br Edmund Rice, founder of the Christian Brothers. The values of the College are enshrined in the Charter for Edmund Rice Schools, and in the College Mission Statement.

The College aims to help young men grow into well rounded individuals who will make a meaningful contribution to society. In a vibrant learning community, students are encouraged to explore and develop their talents to the fullest and aim for excellence in all endeavours.

Those appointed to EREA School Boards are highly committed and motivated persons, who are able to work effectively as part of a team. Appointees are provided with a range of supportive processes and materials and will be required to participate in an Induction Program for new Board Members.

A position on the Parade College Board will become vacant in 2018, and expressions of interest are invited from suitably qualified members of the Parade community.

Further information can be obtained by writing to

Pathways boys lend a hand

This term the Year 10 Pathways boys have had the chance to spend Wednesday afternoons helping with a gardening project at Sacred Heart Primary School, Preston.

'Sacred Heart's Gardening Project' is going to transform their playground into a beautiful garden and veggie patch. In order to prepare sections of the garden for planting the Year 10 boys have been doing some of the heavy digging and preparation of the ground.

Here are a few comments from the Year 10 boys about their experience.

It was a good day to be outside because it was not too hot or too cold so that made the experience a lot more enjoyable. It was fun going during school time and seeing all the kids. **Zac Vaiano L10**

I enjoyed the experience and would definitely help again. I liked trying something different and helping out the school kids. **Daniel Quattrone L10**

Helping at Sacred Heart with the gardening was a great experience I enjoyed moving the dirt and talking with some of the kids there. **Alex Romano T10**

The activities consisted of pulling weeds, turning soil and making compost, the experience was enjoyable as we got to be the first group to attend the primary school. I thought our group did a great job and set a high standard for the other groups. **Matthew Bruno B10**

Prefect Retreat 2018

How many experiences can one group fit into a day? A group of forty-seven aspiring prefects may well have asked this question on Thursday 30 August as they moved from one inspiring and challenging activity to another.

The day began with a session with Br Damien Price who encouraged the students to be the best version of themselves they can be, as what they have to offer is unique. He also had each student read out the names of an Old Paradian (some from a very long time ago) and of a Year 7 student for 2019, encouraging them to understand the historical and traditional context in which they want to be leaders.

The morning continued with a walk over to the Botanical Gardens where an Aboriginal Heritage Tour deepened our understanding of how the First Australians lived, and of their connection to the land. It also strengthened our resolve to be leaders who wish to work towards Reconciliation.

After lunch at Federation Square we split into two groups for a tour of the National Gallery or a seminar at the Big Issue. Both of these experiences stretched us to see things from different perspectives and to tap into the artistic creativity, generosity and compassion that are essential to good leadership teams.

Mass at St Francis was a good way to say Grace before we dispersed for dinner at Melbourne Central, where Mr Laverack humbly performed ten burpees for being late.

Our day ended at Cinema Nova with the film *Human Flow*, which invited us to dive into our deepest humanity, where we know that all people are equal and are unique and precious in the eyes of God. We witnessed that over 60 million people are displaced from their homes today, the highest number since World War Two.

A traditional smoking ceremony to acknowledge the traditional owners of the land and for cleansing

The group in front of the Bluestone Pile in Victoria Street

Leadership at Parade is about raising awareness of such injustices and about doing our bit to create a world of peace and hope.

The retreat ended on Friday with a liturgy at the old Bluestone Pile in Victoria St.

The way the students ran our final liturgy leaves me in no doubt that we are in very good hands for next year. I don't know which students will be voted for as Captains, Vice Captains, House Captains or Prefects, but I do know that they will be exceptional young men.

Solidarity Walk 2018

A big thank you to the Parade community who so generously supported our Jubilee Solidarity Walk this year.

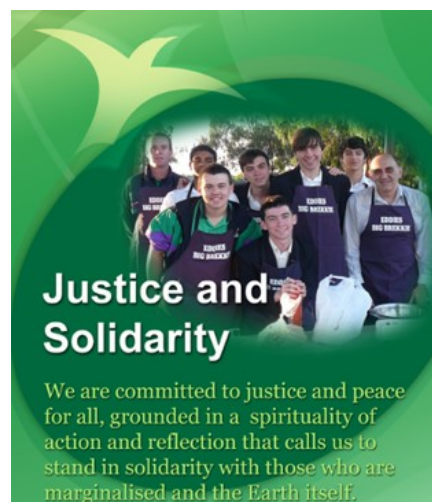

The funds are still being counted, but the Prefects are confident that we will reach our target of \$50,000 for the Comboni Sisters' Hospital in Nzara South Sudan.

As a Catholic school in the Edmund Rice tradition, giving from what we have is so important as is standing in solidarity with those whose life circumstances prevent them from reaching their full potential.

Term 3 and 4 ACC Team Photos

The Parade ACC Sports Team photos for Term 3 and 4 sports will be developed from the students' individual portrait photo taken at the beginning of the year.

To ensure all students who represent the College are truly acknowledged, students are asked to check team/squad lists which are posted on the Sports Noticeboard above the Senior Canteen (Bundoora Campus) and on the Sports Noticeboard (Preston Campus).

If a student represented a team, but their name is not included on the team list, then they must see Mr Gaut (Bundoora) or Mr Watson (Preston) by Friday September 21st.

The following team/squad lists are posted on the noticeboard.

- ACC Basketball– Years' 7 to 12
- ACC Hockey – Years' 7 to 12
- ACC Table Tennis – Years' 7 to 12
- ACC Cross Country – Years' 7 to 12
- Clay Target Shooting

Victorian All Schools Mountain Bike Championships

On Sunday 26 August, five Parade students competed in the third of the four-part 2018 Victorian All Schools Mountain Bike Series which was held at the You Yangs.

All boys were competing in their first organised race and 'saddled up' in the U/15 Novice event. A field of over thirty riders took to the start line to compete in the four lap, 13.6k race.

All boys rode extremely well, with Year 7 student Jude Fletcher H13 being the highest place Parade student finishing fifth.

Congratulations to all students on their performance, as this may have ignited their interest to compete in more events.

2018 Victorian Water Polo Secondary School Cup

On Tuesday 28 August, three Parade students, (pictured to left of opposite page, left to right) Blake Smith (Yr8 T13), William Schofield (Yr7 L18) and Christian Schofield (Yr9 L12) competed in the 2018 Victorian Water Polo Secondary Schools Cup.

Organised by Water Polo Victoria, the boys played for the Melbourne Composite team, consisting of students outside the APS/GSV/AGSV sector. Christian played in Division 1 and his composite team were defeated by Haileybury in the final, whilst Blake and William competed in Division Two for the Melbourne composite team.

Values: Hard Work, Friendship, Respect, Community

Stella Fella 2018

This year, in Edmund Rice schools all across Australia, Stella Fella Day ran on Friday 31 August. Not only was it an opportunity to don a bowtie for the day, it was a chance to wear a symbol that represents what a good man is and what a good man does.

Stella Fella Day is not about raising money for a cause, but about educating ourselves and raising awareness in our community. It's about sending the message that we stand in solidarity with those who experience discrimination or inequality, with a particular emphasis on the treatment of women who are far more likely to be victims of domestic violence, sexual assault or "image-based violence".

Statistics show that:

- ◆ one in three women have experienced physical and/or sexual violence perpetrated by someone known to them;
- ◆ on average in Australia, one woman is killed every week by a current or former partner;
- ◆ domestic and family violence is the principle cause of homelessness for women and their children; and
- ◆ one in three young people aged 16-19 years report an experience of image-based abuse.

These are criminal acts that need to be prevented from occurring in the first place, and it is acknowledged that violence against women starts with the smaller or "low level" types of discrimination towards women.

We at Parade challenge these types of discrimination with Stella Fella.

So what are the more "low level" examples of discrimination and lesser-treatment of women? We ask ourselves:

- ◆ At home, do we contribute to the running of our houses in a way that is equal between the genders – are the chores like vacuuming the floors, cooking and hanging out the washing left to the women and girls in our houses, or are they shared by the men who live there too?
- ◆ When our mothers, grandmothers, aunts and female teachers speak to us, do we listen and show the same respect to them as we do when our fathers, grandfather, uncles or male teachers speak to us?
- ◆ Is our choice of language and the way we speak about women respectful and honouring the dignity that girls and women (just like boys and men) have the right to?

Stella Fella Day is a call to remind us that we must strive to be Stella (or excellent) in our treatment of others, no matter their gender – because all people are worthy of respect and dignity.

And around Stella Fella, may we not just be aware of gender inequality, but a part of a solution.

Term 3 Hughes News

Term 3 has been a very busy but productive time for all Hughes students at Parade. Solidarity walk was a massive success with each student raising at least \$10 or higher, and it is my pleasure to announce that Noah Catalano of H03 was the student who raised the largest sum.

Whilst this special event was run to raise funds for the Comboni Sisters Hospital in South Sudan, it also allowed students to tour the environment around our school. The enjoyment of the walk and beauty of the parks allowed our boys some time out to reflect on their personal journeys and admire the great facilities they have access to.

The following week, the College held the annual 'Stella Fella' Day. Our 'Stella Fella' House Assembly was a particularly special one as Mrs Monica Crowe was invited to be a guest speaker.

Mrs Crowe is the wife of the late Paul Crowe, a former Hughes Tutor Teacher and 'Stella Fella' who passed away in 2016. Her humbling presence lit a spark in the boys, who listened with great interest in her recall of how Mr Crowe was such a fine example of a true 'Stella Fella'. Mrs Crowe was amazed and moved by the number of boys who knew Mr Crowe and his love of the Collingwood Football Club.

The bow ties worn by everyone on the day highlighted the support given to families and victims of human trafficking and abuse. Two Hughes students James Stockwell Year 12 H04 and Maxwell Callahan Year 8 H16 also received the 'Paul Crowe Stella Fella Award' for their outstanding efforts in being Stella Fellas!

While 2018 is quickly passing, Term 4 welcomes our promising and ambitious Hughes prefects alike to set the foundation for a phenomenal 2019.

Term 3 Bodkin News

Our Term 3 Bodkin House Assembly was held on Friday 31st August with a special focus on *Stella Fella week*. It was a great opportunity for our students and staff to unite and say 'yes' to inclusive, respectful and harmonious relations and attitudes towards women and 'no' to violence and all forms of abusive behaviour.

Bodkin students were acknowledged for *Stella Fella* behaviour. Although there were many worthy recipients, one member of each Tutor Group was recognised for displaying important qualities such as being courteous, respectful and kind.

In addition, three students were presented with a *Paul Crowe Stella Fella* award. Matthew Poggi Year 9 B19, Harrison McAlinden Year 9 B16, and Michael Udovicic Year 12 B06, were acknowledged for exemplary *Stella Fella* behaviour towards their peers and teachers; the sort of 'gentlemanly' behaviour that former teacher Paul Crowe always modelled to students.

Year 10 students Sam Bullock B03 and Alex Scicluna B06 were presented with certificates for their nominations for ADF Leadership Awards.

A further six Year 12 students were recognised for their nominations for the Caltex Leadership Awards. Congratulations to Miguel Ang B08, James Chesterman B04, Michael Udovicic B06, Gianni Perre B08, Daniel Rischitelli B04, and Julian Favero B09.

A special mention to Year 7 student Isaac Borg B19 who raised over \$200 for the Solidarity Walk. Amazing effort Isaac!

2018 Subaru Interschools Snowsports Championships

The Subaru Australian Interschools Championships brings together the best young snowsports athletes in the country. Competitors are given the opportunity to represent their school and State and to compete for an Australian title.

To participate in the Championships, competitors must finish in the top fifteen in their discipline to qualify from their State Championships.

Following Parade's campaign this year at the Victorian Interschools Championships at Mt. Buller, where sixteen of our boys participated, one of our students successfully made it through to the Nationals to be held at Perisher in NSW.

Congratulations to Tom Neylon Yr12 L05 pictured above

Tom Neylon Year 12 L05 was excited to even make it into the top 24' after his first run, but his second run gained him a place in the top 15 and earned himself a spot on the Victorian Team. Tom will compete in the Boarder Cross event to be held on Sunday 9 September.

Above and below: some of the students from Parade's 2018 Snowsport Team

Parade has fielded a team for the past 29 years at the Victorian level and it has been over 20 years since we have had a team member tackle the Nationals – a proud moment indeed and we wish Tom every success!
