

A WORLD OF OPPORTUNITIES FOR YOUNG MEN

No. 16 11 September 2019

From the Principal

It was good to see so many fathers and sons at the recent Fathers' Day Breakfast in the Yarangabee Centre. Many thanks to the Parents of Parade Committee who joined our grounds and maintenance staff in preparing the breakfast.

Congratulations to the cast and crew of the College dramatic production of *A Midsummer Night's Dream* on a most entertaining performance. Many thanks to the staff from both Parade and Mercy Colleges who assisted with such an excellent production.

Best wishes to the Parade Cross Country Team who compete today at Bundoora Park in the ACC competition. Results will not be available before this *Newsletter* is produced. The third term fixtured sports of Basketball, Table Tennis, and Hockey come to a successful end this week and results will be published in the next *Newsletter*.

The College is currently developing a new Masterplan. Part of the feedback from students was to improve the student toilets to make them more hygienic, welcoming and reflective of better design. The process stimulated much discussion amongst staff about their own student experience of ablutions!!

Three of the oldest of the toilet blocks in the Mount Sion Building have just been refurbished. Student feedback has been remarkably positive. Work now begins on another three at Bundoora and also Preston. The remodelling of some classrooms to create a Food Science Kitchen is progressing well and the construction of a Fitness Centre and classrooms at Bunjil Park is nearing completion.

Very positive reports have been received from the World Challenge group of students accompanied by Mr Hussey and Mr Laverack. The boys were extremely excited about the challenges and opportunities which they will encounter during their month in Nepal. This program places a great deal of responsibility on our boys, however, the potential outcome in their personal growth is immense. We aim that they return home safely in a few week's time more resilient, confident and compassionate. We will also soon farewell students to our sister school in Takada Japan accompanied by Ms Demko and Mr Spurr. We wish them every blessing for a culturally enlightening experience.

Our Year 12 VCE students have their practice examinations next week and need to apply themselves to some rigorous revision over the term break in preparation for the final examinations.

The Annual Churinga/Brimbank Football Match takes place at Garvey Oval on Thursday 12 September and I applaud the efforts of our Year 12 VCAL students who have spent many weeks coaching and planning for this event.

This is the last *Newsletter* for the term and we hope that the break will be a safe and refreshing one for all our students. Classes recommence on Monday 7 October.

Solidarity in 2019

Friday 23 August provided the most beautiful weather we've had in a while, befitting the important occasion of our Solidarity Walk. Funds are still being counted, but over \$25,000 is a certainty. Thanks to the entire Parade College community for the support.

A big thankyou to the thirty students who each raised over \$100. These students went in a draw to win a PC which will be made by PC Club. Congratulations to Year 7 student Jonte Butler who was the lucky winner.

Mr Andy Kuppe congratulates Year 7 student Jonte Butler on raising more than \$100 for the Solidarity Walk

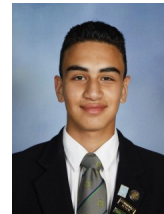

The Prefect Training Group at the MacKillop Family Services Head Office in South Melbourne.

Who are we raising money for?

Last week a group of fifty students attended MacKillop's offices in South Melbourne for some workshops on what they do. Following are some reflections.

Mrs Kylie Kuppe Director of Ministry

During the Prefect Retreat, which took place on 29 and 30 August, the aspiring Prefect Team for 2020 were involved in a discussion with Mackillop Family Services about the work they do.

Our tour of MacKillop Family Services was an inciteful experience, which aided us in grasping a more thorough understanding of the work that they do. We were invited to listen to four speakers, in small groups, about different aspects of their organisation. Discussions took place about foster families, the need for children (who have been abused or neglected) to know their true stories, the school environments that children experience and the rich significance of the St Vincent Boys' Orphanage that has been transformed into a space for their business operations.

The representatives told us of the lengths that MacKillop Family Services goes to, to ensure the children they care for are adequately supported in all aspects of their lives. Whether it be schooling, home situations, or even supporting them in attending medical appointments.

They display true empathy and advocate for these children and families who are unable to do so for themselves, so that all people can have the same positive experiences that their peers do – truly embodying our annual theme of 'Inclusive Community'.

The experience was significant to me, as I gained a true grasp of the work done at MacKillop, so that I can better understand where our fundraising efforts have gone. Overall, I can now truly attest to the significance of their services, and can appreciate that our many bake sales, sausage sizzles etc, and our recent Solidarity Walk, are truly helping people.

I encourage all students and families to continue their diligent support of this wonderful organisation for the rest of the year, and going into 2020.

Abdul Kassem
Year 11 H08

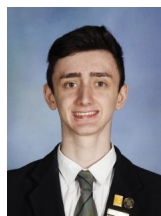

Being privileged enough to be born into a comfortable family and being supported by key adult figures in our community, it is easy for today's youth to overlook and turn away from the somewhat confronting reality of the prevalent issues of family disorientation, child neglect and abuse in our society. For the aspiring Prefect Group of 2020 from Parade College on 30 August, MacKillop Family Services was a catalyst for deep thought, open-mindedness and awareness about these ongoing issues that particularly affect children and teens.

Personally, open discussion about the constant apprehension, learning difficulties and stoic mentality of marginalised children had made me immediately grateful for the support networks in the community and struck a heartstring, feeling powerless and not doing enough to assist in the poignant difficulties of similar-aged children. In talking to foster-carers, social workers and a principal of a school for the disadvantaged, I have realised the lack of support, awareness and funding available to readily work towards a fostering and equitable childhood for these children.

Moving into 2020, I hope to see Parade continue this special relationship with MacKillop Family Services and an increased consciousness towards contemporary issues as we truly strive for an inclusive community.

Dylan Tran-Ngo
Year 11 L02

The MacKillop Family Services visit was a valuable experience that put in perspective the effort and care this organisation puts into its work.

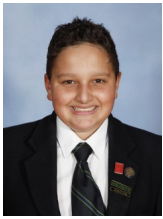

The workshop provided us with insight that was both inspiring and empowering, knowing that these children are being looked after and cared for. The Heritage Centre showed us the rich history this organisation retains, as well as the legacy it carries on. The story of a child who Mischa helped was incredibly moving, as we saw this child develop as he learned the truth of his story.

The dedication to the children of staff such as Mischa was amazing. Overall MacKillop Family Services demonstrated to the Prefect Training Group an incredible level of dedication and empathy to the foster children and impacted each and every person in their own way, teaching them qualities that will help them enact servant leadership.

Year 8 MAV Maths Games Day

On Wednesday 28 August, seven students from Year 8 participated in the annual Year 8 Maths Games Day held at Penleigh and Essendon Grammar School (PEGS), where approximately one hundred schools from across Victoria competed.

There were many mathematical problems to be solved and games to be played with our opponents. It was a wonderful experience being around young people who love maths. It was great to have students from the same year level in the same room at the same time challenging one another.

The prize for first place was four calculators from Casio, the major supporters of the event.

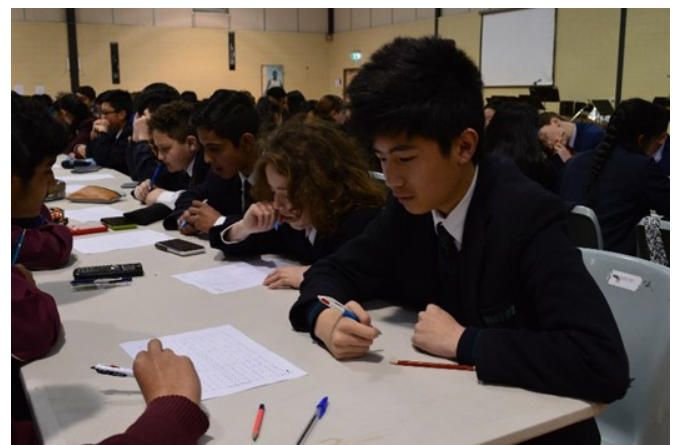

The seven Year 8s from both the Preston and Bundoora Campuses did an extremely good job with the Parade 1 team coming 26th and the Parade 2 team coming 46th.

Even though we did not get the major prize, we participated and gave it our all. It was a fun and enjoyable day and something that was a privilege to be a part of.

Year 7 Spelling Challenge

The Year 7 Spelling challenge was held on Wednesday 4 September, and it is with great pleasure that I announce our winners:

- 1st – Uvindu De Alwis (T14) from Ms Marazita's class
- 2nd – Mathew Kochuthara (H11) also from Ms Marazita's class
- 3rd – Damian Nguyen (L14) from Ms Carter-Donald's class

Please congratulate these boys if you see them. They really were champion spellers and showed real courage getting up there in front of their peers.

Thanks to Mr Andy Kuppe and Mr Paul Fahey for being Spell Master and MC; all supervising staff for overseeing the smooth running of the event; and all English teachers who were able to prepare their students.

The Year 7s appeared to have a great time and everyone got behind Uvindu – correctly spelling 'subpoena' after it wiped out a number of competitors elevated him to hero status!

The Way of the Pen

On 15 August, Parade College was visited by a calligraphy group from Osaka Japan who came to the school to demonstrate and teach aspects of this Japanese Art of the way of the pen (書道).

Year 8 students were shown techniques in the practice of writing the Japanese script of kanji and the finer points of producing the characters with ink and brushes.

During the lunch break the ERC Plaza was transformed into an outdoor studio as the calligraphers demonstrated their skills highlighting a more expressive style of writing using a giant brush. The results were spectacular as ink flew in all directions.

Rugby 7s State Championships

On Wednesday 28 August the Parade Junior Rugby 7's played in the Rugby Victoria State Championships at Newport.

After qualifying at the Northern Carnival earlier in the month, our boys had been training hard to give a good showing. The boys have made dramatic improvement over the past month and took confidence into the day.

The first game was a victory against Wyndham College and followed by a victory against St Francis Xavier. Heading into the third pool game we were playing The Grange, who are a dedicated Rugby School and both teams were 2-0.

In our best game of the carnival we unfortunately just went down meaning we finished two wins and one loss for the day. The Grange would go on to win the State Championship. This placed us in third spot for the State which is a great achievement.

Mr Richard Hazzaz has done an incredible job coaching these young men and we thank him for his dedication and time.

We are looking forward to more Rugby competitions in the near future.

State Clay Shooting Championships

The Victorian State Championships were held at the Echuca Clay Target Club on Monday 2 September.

Under ideal conditions, the Parade Senior team consisting of Year 11 students Marc Colarusso (H10), Kostas Kallis (T08), Oscar Sibillin (L06), James Incani (T07) and Year 10 student Samuel Russo (T07) competed in the Teams event, whilst Year 8 student Xzavier Abela (H10) participated in the Junior Individual Division.

All students performed consistently well throughout the day with the Parade team finishing second in the Team event, and Xzavier finishing second in the Junior Competition.

Xzavier was involved in a 'shoot off' for second position and recorded a perfect 5 out of 5 to take the number two spot.

Congratulations to all boys involved and thanks again to all parents for supporting the boys at the Championships.

Term 3 and Term 4 Sport Photos

The Parade ACC Sports Team photos for Term 3 and 4 sports will be developed from the students' individual portrait photo taken at the beginning of the year.

To ensure all students who represent the College are truly acknowledged, students are asked to check team/squad lists which were posted on the Sports Noticeboard above the Senior Canteen (Bundoora Campus) and on the Sports Noticeboard (Preston Campus) on 6 September.

If a student represented a team, but their name is not included on the team list, then they must see Mr Groves (Bundoora) or Mr Watson (Preston) by Friday 20 September. The following team/squad lists are posted on the noticeboard.

ACC Basketball– Years' 7 to 12

Students Excel on the Sporting Field

Congratulations to the following students who have been performing well on the sporting field

Year 9 student Kobe Knight (T16), (*top right*) continues his outstanding AFL season by being named the Rising Star at the Northern Knights, whilst Year 10 student, Raffaele Borges Rodrigues (L02) (*bottom right*) played his first game for the Melbourne City Senior team in a practice game against the Central Coast Mariners.

In 2020, Raphael Borges Rodrigues (L02) joined Melbourne City teammate and Parade student Yaya Dukuly (L05) in Parade's Senior Sport Academy Program, which caters for students who have a keen interest in sport, along with those elite sporting individuals looking to combine an education with their sporting commitments.

Congratulations to Year 11 student Jayden Carr (H05) on his recent success at the Victorian Swimming Championships. Jayden swam in twenty-three races over the three day carnival and achieved an amazing 43 seconds total of personal bests. Highlights included finishing as State Champion for the 100metre and 200metre Butterfly events, third in the 200m Freestyle and top three in two relays events. Jayden has also been selected in the Victorian team for the National Championships in October.

Please note, additional outstanding sporting performances will be published in future College Newsletters.

From the Director of Music

The busyness of the Music Department has continued over the past fortnight, with several important events in the lead up to the end of Term 3.

The Parade College Drumline and Preston music classes conducted a special concert for students from Sacred Heart Primary School at the Preston Campus on Thursday 22 August. This was a fantastic cross-campus event for students to engage with the local community and perform to a younger audience whilst also promoting both the instrumental and classroom music programs to prospective Parade students.

Some lovely words from Mr Mark Tierney, Principal at Sacred Heart; 'The feedback was most positive by both students and teachers. Thanks for the experience and we would love any opportunity again to be invited'.

One of the most important events in the Music calendar, the Instrumental Music Soirée Concert, was held on Monday 2 September at the Bundoora Campus. The soirée is one of the musical highlights of the year as all students involved in the Instrumental Music Program perform to a live audience and can showcase their personal musical development as part of the program in 2019.

The night was a grand success and a celebration of the vast musical talent at Parade College. Our thanks go to all family and friends who attended the evening in support of

the instrumental music students and to the dedicated instrumental music staff for their efforts in preparing the students for the evening.

We look forward to our Battle of the Bands winners, K.E.I.F, attending the ACC Rock Music Workshop at CBC St Kilda on Monday 16 September. This will be a fantastic day of collaboration amongst ACC schools where students will have the opportunity to further enhance their music skills before partaking in the ACC Battle of the Bands Tournament later that same day.

As always, thank you for your continued support of the Music Department this term and we look forward to ending the year on a high in Term 4.

From The Old Paradians

Tributes Paid To Parade "Pioneer" Barb Elliott

Long-serving former Parade College staff member, Barb Elliott, who died on 3 September after a long illness, is being remembered as a trailblazer by those with whom she worked at both the old Flowerdale Campus and, more recently, Bundoora.

Year 10 to 12 Dean of Learning Paul Fahey extended heartfelt gratitude to Barb, who was part of the fold at the Preparatory College until its closure in 1988 and later Bundoora for a combined period of almost thirty years.

"Barb was an extremely dedicated teacher and leader of staff. She was really a pioneer as a female leader in a male dominated school, when she took over both as a Year Level Coordinator and Subject Area Leader, and paved the way for the far better balance in leadership that we have today," Paul said.

"She was an extremely hard worker who led by example and put a great emphasis on justice and the student's well-being. An incredibly intelligent person, she also had a really sharp sense of wit and humour as well as being an astute football tipper winning the first ever 'Waterford Brownlow' tipping competition.

"Many of us learnt so much from her and are indebted to her for her caring and nurturing manner as we developed our teaching skills at Parade."

Barb's funeral is to be held at St Francis Church, Mill Park, on Friday 13 September at 10.15am.

Football Club Pays Fitting Tribute To Old Paradians

The seismic contributions of the Arthur, Mount and Considine families to the Old Paradians Football Club have been formally acknowledged by the football club, on a day in which College Principal Dr Denis Moore and the former Association President Lewis Derrico were both honoured with Life Memberships.

The aforementioned families were recognised at a recent pre-match President's Luncheon convened in the Frank Mount Social Room of the Lou Arthur Pavilion, at which the football club President Mike Jolley also confirmed that he would be relinquishing his position at season's end.

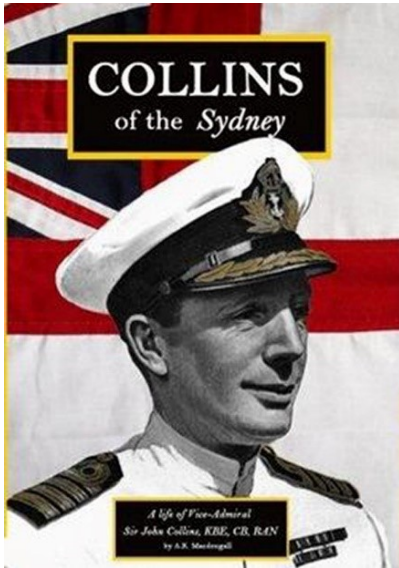

Lou Arthur's sons John and Vin (pictured) were presented with a framed commemorative Old Paradians guernsey, as were Frank Mount's sons John and Jim. Maurie Considine and his sons were also grateful guernsey recipients.

Collins Bio Earns Fellow Hall Of Famer's Praise

A new book chronicling the life of Old Paradian Hall of Fame inductee Vice-Admiral Sir John Collins (1912) has been released.

The tome, *Collins of the Sydney* penned by Anthony Macdougall, was recently published by Clarion Editions.

Recently, fellow Old Paradians' Association Hall of Famer Captain Professor Kevin Rickard AM (1953) completed the following review of Macdougall's book for the Naval Officers Club and the Naval Historical Society

In an accompanying letter with his review, Kevin wrote: "Vice Admiral Sir John Collins KBE, CB, was a very famous Old Paradian and sits nicely in the OPs' Hall of Fame. The book is full of fascinating history in the context of Sir John's roles with the RN and RAN and could be of great interest to many Old Paradians".

A Tribute To The Late Br Dillon

Marist Brother William Edward ('Bill') Dillon, an Old Paradian and uncle to the Collingwood Football Club's Shaw brothers Ray, Tony and Neville, has died peacefully in Melbourne's St Vincent's Hospital at the age of 90.

Pictured here on the right with Br Peter Howes in West Heidelberg in 2017, Br Bill, who adopted Stanislaus as his religious name, died on 9 September having been admitted to hospital on 30 August.

An unnamed death notice recorded that "Bill had recently enjoyed a number of celebrations to recognise his 90th birthday" – one with his family, one with former students and one with fellow Marist Brothers.

"He was loved, admired and respected by his family and friends, his confreres and his ex-students. May he rest in peace," the notice read.
