### Valete Celebration for the Class of 2022

This week we farewelled the Class of 2022 with our Graduation or Valete Celebration in Moore Hall. The Latin word “valete” simply means goodbye. On Monday night we made our formal farewell and finished the ceremony with some messages and prayers of blessing for our out-going students as we wished them well in their future endeavours.

A graduation for many of them is something of a bitter-sweet experience, some real tension between wanting to move on and wanting to hold on. It is a time, certainly, to look forward in expectation of what might be in the future which is full of possibility and promise, the exciting challenge of independence, freedom, and self-sufficiency.

Many of the Class of 2022, I know can't wait for the next stage. On the other hand, there will be for many some degree of sadness, particularly because they haven't had as much time with their mates the last few years as they would have liked and for some a touch of fear as they leave behind this phase of life with its secure structures and the supportive relationships they have made.

The College presented awards to each of the Subject Award winners across both the VCAL and VCE Programs. The Major Awards were also presented to our outstanding students.

## Opening of O'Shannassy Centre

Last week, we celebrated the opening of our latest learning centre, the O'Shannassy Plumbing Centre. Forming an integral part of our Registered Training Organisation, the O'Shannassy Plumbing Centre will provide the opportunity for students to study Certificate III Pre-Apprenticeship and VET training and will greatly assist students who intend on pursuing post-secondary studies either at TAFE, university, apprenticeships, or employment. Made possible through a donation by the O'Shannassy family.

The O'Shannassy family has had connections with Parade College for 90 years. This connection began in 1941 when Brian O'Shannassy attended Parade College at East Melbourne to complete his secondary education. On returning from the war Brian married Gwen and began a family. Their three sons all attended Parade College; Terry and Gary (1966) and Neil (1972). Their daughter, Lynne attended the Academy of Mary Immaculate in Fitzroy. The family association with the College has continued on down through the years with Gary's son, Ben who graduated in 1999.

Brian was always grateful to the Christian Brothers for his education so he enthusiastically became a collector for the Parade Building Appeal which was begun in the 1960s and led to the relocation and building of Parade College Bundoora.

Gwen was an active member of the Parade Ladies Auxiliary both at East Melbourne and Alphington, and then at Bundoora. In recognition of her commitment and service, she became a Life Member of the Ladies Auxiliary in later years.

With the generous bequest from the O'Shannassy family, the new plumbing facility at Bundoora will ensure that Parade College continues to be at the forefront of providing innovative and quality trade training education to future generations of students here at Parade and from the wider northern suburbs educational community.

6 October 2022

Dear Parents, Students, Staff and Friends of Parade College,

Following eight years of leadership at Parade College, including the last four and a half years as Principal, Andy Kuppe will conclude his term as Principal of Parade College at the end of the 2022 school year. Andy has been appointed to the new position of Director / Chief Executive Officer (CEO) of Edmund Rice Education Australia Victorian Schools Ltd. This is a new position, providing leadership and management to six Edmund Rice schools in Victoria (including Parade College) and we congratulate Andy on this appointment.

We know that this has been a difficult decision for Andy to make, as he has long connections and a commitment to Parade College, however he believes that this is now the right time to take this direction in this exciting opportunity.

Andy's contributions to Parade College during the last four and a half years as Principal have been significant. As the first lay Principal of Parade College in its 150-year history, he has worked with the College Advisory Council and Edmund Rice Education Australia to transition the College from Christian Brothers to lay leadership. He has overseen an increase in enrolments and developed strategic partnerships with La Trobe University, and a range of sporting clubs, including Manchester City Football Club. He has overseen the development of the Master Plan and the subsequent building program at both the Bundoora and Preston Campuses which has already seen the Performing Arts Centre, the Nicholls Pavilion, the Preston Food Science Centre, the redevelopment of the Waterford Sports Precinct, new Science and STEM spaces and the O'Shannassy Plumbing Centre. The final stage of the Master Plan, the Collins Sport Precinct, is currently underway. In addition to this, Andy led the development of the Educational Strategic Plan which introduced a restructure of the College Campuses to allow senior students across the College greater access to senior pathways at the Preston Campus and the commencement of the Manchester City Football School this year. Next year will see improved pastoral care through the introduction of a fifth house, Nolan House. Throughout Andy's principalship, enrolments at the College have continued to grow, leaving the College in a healthy position for the future.

Andy values above anything else the spirituality and faith dimensions of the College and embeds these in the College Mission Statement and Core Values, complementing the desire for every member of the Parade College community to recognise and embrace their God given talents and to use these in the Spirit of Edmund Rice to be the best person they can be so that they can have a positive impact on the world.

Andy will continue his connection with Parade College in his new role. This will include liaising with the Parade College Advisory Council early next year to undertake the process of appointment for a new Principal for Parade College. We expect to attract a high quality Catholic educational leader to take charge of the College with a possible commencement date in January 2024 or earlier.

Mark Aiello has agreed to continue as Acting Principal from January 2023 until the appointment of the new Principal and Mary Dourios has agreed to continue to serve as Acting Deputy Principal. We thank Mark and Mary and the Leadership Team and staff for their commitment to ensure that Parade students' needs are foremost

### VCAA, VCE and VET Unit 3/4 Written Examinations

The first written exam for most students is English on Wednesday 26 October, although some minor language exams also precede the English examination; students involved should carefully check their timetables. Each student should have been issued with the VCAA Exam Navigator which contains all rules and regulations regarding the exam period. An electronic copy is available at:

<https://www.vcaa.vic.edu.au/Documents/Navigator/VCEExamsNavigator2022.pdf>

With formal classes having now concluded, Unit 3 and 4 teachers will still be available for revision in timetabled classes right up until the scheduled subject exam in their usual timetabled classroom.

Upon commencement of the examination period, Unit 3 and 4 students should arrive at the College no less than 30 minutes before the commencement of their exam. Students are to make their way to Westcourt Walk in preparation for the commencement of their examination where seating lists will be displayed. All necessary items for each exam are listed in the VCAA exam navigator. We wish all students the very best in their exams and trust that this final preparation period allows them to enter the examination room for each exam confident and ready to peak.

A reminder to all Psychology and Further Mathematics students who have their exams on 31 October (Melbourne Cup Eve) that there will be no College buses on that day – students must arrange their own travel to and from the College. The VCE Study Centre will be open from 8.00 am and will close at the commencement of the afternoon exam.

### Class of 2022 VCAA Results

VCE and VCAL results will be released by VCAA at 7.00am on Monday 12 December. Details on obtaining results are available on the back page of the VCAA Navigator.

### Student Wellbeing Support and Careers Counselling

The College will be offering both career counselling and emotional support from Monday 12 to Wednesday 14 December. More information is contained in the letter to VCE students that was included with the graduation certificates at the Valette Evening.

### Accelerating Year 11 Students involved in VCAA Exams

Accelerating Year 11 students will continue to attend their timetabled classes until the date of the respective VCAA examinations. If a student has a Year 11 exam on the same day as their VCAA exam, the Year 11 exam will be rescheduled.

### Years 8, 9, 10 and 11 Semester 2 Examinations

Semester 2 examinations will be conducted in November; dates and details are provided below. During the examination period, Year 10 and 11 students are not required to attend school other than for scheduled examinations. Correct summer uniform is required. Supervised revision will be arranged for those attending school. Year 8 and 9 students attend as normal.

Examination revision information sessions were conducted in the tutor period last Friday. All students should commence examination revision. Students will receive revision materials to assist in their preparations.

<b>Year 11:</b>	November 2 – 11
<b>Year 10:</b>	November 3 – 11
<b>Year 9:</b>	November 15 – 17
<b>Year 8:</b>	November 14 – 17

### Years 10 and 11 Examinations

Year 10 exams precede a week of Work Experience from 14 to 18 November. Year 11 exams are followed by the compulsory Year 12 Commencement Camp at Phillip Island on 16 to 18 November. Year 11 students are not required at school on Monday 14 November and Tuesday 15 November.

### Year 8 and 9 Examinations

If a student is unable to attend an examination, it will not be possible to have the exam rescheduled. Where a student

misses an exam due to approved absence (e.g. illness), then they will receive the grade 'X-Special Circumstance' for that task. Students absent for an exam due to an approved school event (eg; ACC Sport) will be notified of an alternative time to sit the examination that was missed.

### Year 8 to 12 2023 Commencement Classes

As the name suggests, all students continuing at Parade in 2023 are required to attend school for 2023 commencement classes. It is important to note that teachers will not reteach this information when school returns in 2023. As such, it is essential that all students attend.

### 2023 JacPLUS - Jacaranda e-Textbook Bundle for Years 8 to 10 in 2023

In 2023, Parade College will continue to use Jacaranda's \$115 Digital Bundle as its digital textbook and educational resource provider for students in Years 7 to 10.

Parents should have received a letter on 26 September to coincide with the opening of the payment portal.

To ensure that you receive your son's 2023 school year textbooks and resources, you are asked to order and pay the \$115 fee online via Jacaranda's payment portal by 29 October 2022.

Year 10 Edmund Rice Pathways Program (ERPP) students at Preston in 2023 are not required to purchase the Jacaranda Bundle.

### Year 7 to 9 ACER Testing

During this term, students in Years 7 to 9 will participate in the ACER Progressive Achievement Tests for Mathematics (PAT-M) and Reading (PAT-R). Your son does not need to study for these tests and the results are not reported.

To reduce disruption, the test date and the lesson that each test will occur in, will be at the discretion of your son's English (PAT-Reading) and Mathematics (PAT-Math) teacher to choose. Your son's subject teacher will oversee the administration of the online test. As tests will be conducted on student laptops, it is important that your son has fully charged his device.

The College believes that the data obtained from ACER PAT testing should not be used in isolation when making judgments about a student's needs or ability but should form part of a broader range of information available about each student to his teachers.

### Nolan House

The second round of invitations for students in Years 7 and 8 to join Nolan House have opened. Students have been emailed the link to the Microsoft forms to enter their application.

Recently students who had already been accepted met with the new House Leader Cameron Elmore and the new Nolan Tutor Teachers to decide on the colour of the House and the mascot. After this current round of applications, the entire house from Year 7 and Year 8 will meet to decide on the motto and the House Prayer.

Nolan House will be deliberately smaller for the first two years to allow students to get to know all staff and students in the house and be able to form strong bonds and create a house culture that will establish the house for generations to come.

This is a historical moment in the history of Parade and we encourage all of our Year 7 and 8 families to consider speaking with their sons about moving house. Existing Tutor teachers will be moving to Nolan to ensure the House and Tutor groups are a place of support and family spirit.

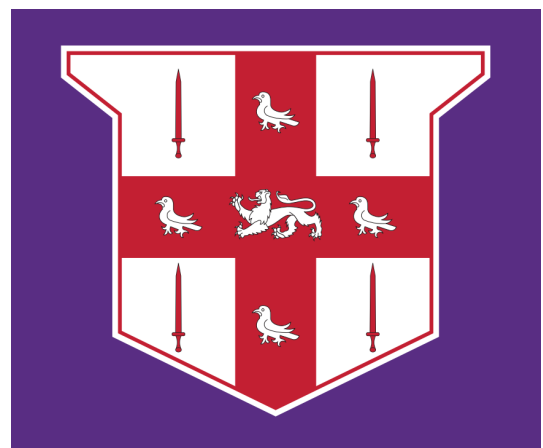

Tutor Teacher and House Leaders are encouraging students to consider moving as this is a historical and significant time for the College as we acknowledge one of the founding brothers through a house named after him

If families have any questions please contact Tutor Teachers or house Leaders. The link will be sent to students again this week and applications close on Friday 29 October.

### Stella Fella Day

This year, Stella Fella day took place on Friday 7 October as part of the House Assemblies held that day. Students are nominated by staff members based on a set of criteria:

*A Stella Fella makes the choice to live with integrity, show compassion and demonstrate respect for both yourself and others. It is also about action. Through our silence we enable and normalise behaviours that we know to be disrespectful, derogatory or undignified. A Stella Fella is not afraid to stand up and speak out against physical, emotional and psychological abuse and exploitation of our most vulnerable.*

Thanks are extended to Mr Cicutto and Ms Kavenagh who planned and executed the day. Several students from each House were nominated, with selected students being presented with their certificates at the assembly, and other nominees receiving their certificates in the following days.

### High School Human Rights Workshop

This event was held on 7 Friday October and involved five Year 8 students. This was a pilot program with Parade College being one of the schools invited to participate by Melbourne University.

### Year 12 Final Liturgy

As part of the conclusion to their time at Parade College, the Year 12 students participated in a liturgy on Thursday 13 October. Fr Jaycee Napoles, himself an Old Paradian, very generously drove up from Geelong to preside at the liturgy. The Vice Captains (Jesse Sinopoli and Jacob Gangi), House Captains (Jack Maruff, Dulara Chandrasekera, Christian Naimo and Isaac Larocca), Preston Prefect (Jack Pratt) and Preston representative Zachary Bear undertook roles as readers. The liturgy concluded with a blessing on behalf of the staff, and a photo montage created by Mr Anthony Fernando.

### 2023 Year 12 Commencement Camp

This will take place from Wednesday 16 November to Friday 18 November. Organising is well underway for the camp, to be held at Philip Island. It would be appreciated if any families who have not yet signed off for the camp could do so in the next few days.

## Community Action Report

### The Parade Christmas Appeal

This year as part of our St Vincent De Paul Christmas Appeal we are asking each student to consider donating just one non-perishable item at some time during the coming weeks (Students can donate more than one item if they wish). Non-perishable items include such things as Spaghetti, Rice, Tins (beans, meats, tuna etc), food packets'

We ask parents to support us by assisting your son when he asks to be supplied with something for the St Vinnies appeal. As Pope Francis teaches "we are enriched by giving"

Many thanks for your support

## From the First Aid Office

### Parent Portal – Medical Information

It is important that the College has the latest medical information for your son. Please take the time to review your son's medical information and update it when required.

### Hay Fever

Melbourne's hay fever season runs from 1 October to 31 December each year. Itchy ears and throat, a runny nose, sneezing and watery eyes can all impact your day.

If your son suffers from hay fever the first aid office is unable to supply antihistamine medication to your son.

In cases where your son is impacted by hay fever during the day, the first aid officer will contact parent/guardian to collect your son from school. T

To avoid this situation it might be best practice to administer an antihistamine to your son before school.

### Term 4 Sport

The Cricket, Tennis, and Volleyball seasons for Years 7 to 10 are now underway (albeit the weather curtailed Cricket and Tennis last week!).

### Term 1 2023 Senior Sport

Term 1 2023 trials will be scheduled shortly for Year 10 and 11 students (Seniors in 2023). Students interested in trialling should lodge their interest with the relevant staff member: Mr Sedgeman (Volleyball), Mr Turner (Tennis) & Mr Baxter (Cricket).

### ACC Junior Golf Tournament

Last week our Junior Golf Team competed in the ACC Tournament hosted by Northern Golf Club. Parade finished fifth in Division 1. Cooper Wood Year 8: B19 was our best performed individual.

### Outstanding Achievements

Marcus Grech Year 9: L15 was recently appointed as the captain of the state Under 15 Victorian Volleyball team. Congratulations Marcus, firstly on your selection in the team and then on your leadership role.

Adrian Jones-Cascun Year 7: T11 recently attended the National Under 14 Club Basketball championships in Penrith.

## Debating and Public Speaking Update

As the year winds down to its close, I just wanted to take a moment to congratulate Parade's Debaters and Public Speakers for their many achievements this year. We competed in the DAV Schools Competition and our A Grade team made it all the way to Octofinals, meaning they finished within the top 16 teams in the state.

Congratulations to Gabriel De Amicis Year 11 T03, Jaden Menezes Year 12 H04, Thomson Thomas (Year 11 H09) and Christian Naimo Year 12 L07 on this achievement.

We also participated in Intermediate ACC Debating and Public Speaking where our Debaters finished second in Division 1. This was an incredible achievement with our team of predominately Year 9 students finishing with equal points to the winning team which was made up of Year 10 students.

We congratulate Julian Raic Year 10 L02, Zain Mazloum Year 9 H18, Riley Giosis Year 9 T11, Ochintha Gamage Year 9 L19, Jack Mitchell Year 9 T11 and Xavier Mahar Year 9 B11 on their success and we look forward to them finishing first in 2023!

We have also participated in the Plain English Speaking Award where Year 11 student, Nicholas Luhrs L01, came runner up in the regional final and was invited to the state semi-finals as a wildcard.

Additionally, Akitha Gamakumara Year 8 H15, Ronit Mirpuri Year 7 L12, Hirusha Fernando Year 7 H11, Jaskirat Singh Year 7 L19, Shan Antonipillai Year 7 T11 and Vinoth Varapathan Year 7 B17 all took part in the DAV Junior Public Speaking Program where they participated in subsequent prepared and impromptu speaking rounds and received training from DAV adjudicators. All students participated enthusiastically and learnt much from the day.

Currently, we have a number of talented Year 7 and 8 students across both campuses participating in the DAV's Junior Secondary Program. This program introduces students to the art of debating and gives them the opportunity to practice and hone their skills in a series of friendly inter-school debates. The students have so far engaged positively with the learning, indicating that Parade's future in debating is bright! We wish them all the best for the remainder of the program.

## Statement from the Heart

After viewing the 'Statement from The Heart' video and drawing a response, Year 7 to 9 students were able to enter their image into a College competition.

<https://ulurustatement.org/the-statement>

We were delighted with the results, which will be displayed throughout the year in our classrooms and Learning Centres.

With so many talented and thoughtful images submitted, it was with great difficulty that we selected winning entries.

We thank our judges Ms Tannah Thorne, Indigenous Education Officer, and Ms Lynda Santolin, teacher-librarian, who created the competition to also reflect Book Week - *Dreaming With Eyes Open*.

Winners and highly commended students and their images are below, and each student wins a little prize available from Ms Melich and RE teachers in the coming days.

Thank you to the Religious Education teachers, and to all involved in our reflection on the Statement from The Heart.

### Year 10 Work Experience

A reminder to all Year 10 students and families that Work Experience is on 14 to 18 November 2022. This is a compulsory part of the Year 10 Careers curriculum.

All students must submit the required Work Experience form with each section completed by the student, parent and the employer. This must be submitted as soon as possible.

Students who will be travelling or working with animals whilst on Work Experience require another form to be completed as well as the standard Work Experience form.

This can be collected at the Careers Office this week.

### University of Melbourne

The University of Melbourne is hosting an online information evening for students heading into Year 12 next year to find out more about the University of Melbourne Extension Program.

Date: 25 October 2022  
Time: 6.00pm to 7.00pm  
Location: Online

The Extension Program is a fantastic opportunity for Year 12 students to study university subjects alongside their final year of secondary school.

This online event will give you the chance to hear from the program coordinator as well as current UniMelb students about how they've benefited from their Extension Program studies.

## Parade Staff Pay It Forward Day

On Monday 3 October 2022, as part of our 2021 Covid - delayed 150th celebrations, all staff at the College's two campuses volunteered their time with an organisation, to honour the work of our founding Christian Brothers and the generosity of the Melbourne and Victorian communities of the 1870s who supported the College in its early years.

The day was dubbed "Pay It Forward Day" and our College personnel went far and wide across the State to offer their services in a mutually informative and enriching day for all concerned.

People volunteered their time at a range of opportunity shops with St Vincent De Paul, Sacred Heart Mission and Salvation Army to name a few. People spread out across Melbourne and assisted at sports clubs, aged care facilities, primary schools, parishes of various denominations, crisis centres, animal shelters, wildlife sanctuaries, and social enterprise projects.

We had larger groups of staff attending such organisations as Big Group Hug, Boots For all, LaTrobe University Wildlife Sanctuary and a number of Clean Up Australia groups around various parks and waterways of Melbourne. Edmund Rice Ministries were also supported directly by groups visiting St. Joseph's Flexi-Learning Centre, North Melbourne and Edmund Rice Services at the new house development at Tarneit.

The two College campuses were also very busy on the day engaged in meal preparation and hospitality and maintenance.

Preston Campus staff generously assisted and fed the personnel at Good Samaritan Inn.

Bundoora Campus staff were engaged in Waterford Garden projects, Trades Centre toymaking and Technology Centre guitar-making as donations to worthy causes.

The College Maintenance Team did a landscaping 'blitz' with our neighbours at Villa Maria Catholic Homes Bundoora.

The day was greatly appreciated by hosts and participants and was engaged with much energy, admiration and gratitude. Many organisations marvelled at the concept of such a day in giving back to the community.

A warm thank you to our staff personnel for the generous and enthusiastic way they entered into the spirit and energy of the day.
