

A WORLD OF OPPORTUNITIES FOR YOUNG MEN

No. 4 4 March 2020

From the Principal

Last week we celebrated Ash Wednesday to mark the beginning of the Church season of Lent. Lent is a 40 day time of preparation for the joyful celebration of the death and resurrection of Jesus Christ at Easter. A prayer service was held in each Tutor Group with the focus on the symbol of the ashes and the call to take stock of our lives and relationships during this time.

During Lent we raise awareness of the plight of the neediest people in our world and offer some support through MacKillop Family Services' partnership with Parade College.

The College has introduced a voluntary item into the uniform: College Beanie. The Beanie can be part of the winter uniform and can only be worn during Terms 2 and 3: to and from school; recess or lunch; and at other times at teachers' discretion, eg sport, some excursions, etc. No other beanies are permitted to be worn as part of the uniform. The Beanie will be available for purchase through our uniform supplier Academy Uniforms. They will be available by April 20th in store at Thomastown, online, and at both Preston and Bundoora campus shops. The price is \$25 (which includes a \$5 charity donation to MacKillop Family Services).

Our Year 7 students are this week attending camp in House groups for three days and all seems to be going well. Each House group is also participating in the Treacy Trail, an

excursion designed to help students understand more of the history and traditions of the College. Thanks to the organisers and the staff who are accompanying each group.

On Monday, the Music staff hosted the ACC Jazz Ensemble Workshops. It was a wonderful musical experience for our students and a great opportunity to host students from other schools. The Father-Son Summer Games Night takes place on Monday 16 March.

Last week the ACC Swimming Competition took place at MSAC in South Melbourne. Congratulations to the coaches and swimmers on winning sixth place in the aggregate competition with some great individual performances. At these championships a Parade College student set a new ACC record: congratulations to Jayden Carr (Year 12 H05). Details can be found in the High Performance Sports Report on page 15 of this *Newsletter*. We look forward now to the ACC Athletics Competition on Wednesday 25 March.

This week we were to welcome the visiting staff and students from our sister school in Takada in Japan for the annual homestay and cultural exchange. Due to concerns about the Coronavirus COVID-19, Takada decided to cancel, which whilst most understandable is nevertheless disappointing for all involved. Many thanks to the families who had volunteered to host a Japanese student.

The next College Working Bee is coming up on the morning of Sunday 15 March at both campuses and all assistance is welcome to help maintain the best learning environments for our students.

Principal

Student Opportunity – Cultural Experience in Canada

Expressions of Interest Invited

There is an opportunity for two 2020 Parade Year 10 students to participate in a Student Cultural Program with an Edmund Rice school in British Columbia, Canada: **Vancouver College**.

Founded in 1922, Vancouver College is a highly regarded boys' P-12 Catholic School in the Edmund Rice tradition.

This is a unique opportunity to experience life and learning on the other side of the world.

The successful Parade students will attend Vancouver College for the last four weeks of Term 3 this year (starting the last week of August). Our boys would attend the school and whilst experiencing Canadian Culture, they would have time to complete their own school work. The hospitality will then be reciprocated, and these Parade students will each host a student from Vancouver College for a four week period next year, commencing in the last week of January 2021.

The tuition and organisation costs will be covered by the two Colleges. Participating students will wear their College uniform when attending Vancouver College. Families would need to cover the costs of the return airfare, any passport costs, pocket money and incidentals (and any optional sightseeing).

Expressions of interest (due Friday 20 March) are invited by contacting me via email: mark.aiello@parade.vic.edu.au or by phone on 9468-3300.

Term One Mid-Semester Reports and Student Progress Interviews Years 7 to 12

Mid-Semester reports will be released online via PAM on Wednesday 18 March at 10.00am.

Parents of Year 9 students should note that Year 9 ExCEL reports for Extended Learning Project 1 are not included with the interim report. The ExCEL report will be released online at 10.00am on Friday 27 March.

Student Progress Interviews are scheduled in the coming weeks. There are two opportunities for these important learning conferences to occur, in the final week of Term One and the first week of Term Two.

Thursday 26 March

3.45pm to 5.45pm and 6.30pm to 8.30pm

Wednesday 15 April

3.45pm to 5.45pm and 6.30pm to 8.30pm

Interviews at Bundoora campus will be in Alphington Court, while those at the Preston campus will be in the Mackillop Centre.

Parents and students are encouraged to attend. It is far more beneficial that students attend with their parents. On the interim reports available on PAM, teachers may have indicated that an interview is required. Parents may also initiate the interview by booking appointments to meet with their sons' teachers. Teachers will be mindful to keep interviews to the times designated.

Please bring along your son's printed interview times, as they include the location of each teacher.

Bookings for Student Progress Interviews will be available via PAM at 10.00am on Wednesday 18 March, coinciding with the release of the mid-semester reports

Communication of NonSubmission, Resubmission and Risk of Non-Satisfactory Completion.

The continuous reporting capability of SIMON and the associated access to this information on Parent Access Module (PAM) enables students and parents to obtain timely feedback about students' progress in each subject.

PAM also enables parents to more effectively monitor the submission status of their son's work and their results for submitted tasks. When students do not submit work (NB. an extension may be granted), or if a student is required to resubmit work that was initially assessed as below a C grade, teachers will generate a letter accessible by parents on PAM.

Details for all assessment tasks, including due dates, can be accessed in each of your son's subjects under 'Learning Areas'.

Letters generated by teachers are the main method of communication by teachers to notify parents of tasks that were not submitted or were below an acceptable standard. Of course, teachers will still communicate other concerns relating to your son via email or phone.

As always, we encourage parents to contact their son's subject teacher to discuss how we can work together to support your son's progress.

Year 9 and 10 Semester Elective Changes

At the commencement of Semester Two, students in Years 9 and 10 will begin their second semester electives resulting in a new timetable for each student in those years.

Though core subjects continue into Semester Two, because of the implementation of a new timetable, some students may find that one or more of their current Semester One teachers for the subjects of English, Science, Mathematics, Humanities or Religion may also change.

Though we try to limit the impact a new timetable has on these classes, it is not always possible for students in Years 9 and 10 to remain with the same teacher for the whole year.

Year 7 Father and Son Summer Games Night Monday 16 March at the Bundoora Campus

The evening will commence with a BBQ, progress with activities such as foosball, darts, quoits, tower building and golf putting, then conclude with some prizes being awarded.

Sporting prowess and fitness are not required to participate in what will certainly be an enjoyable night. Whilst hand-eye coordination may assist with some activities, the ability to use your powers of 'thinking' will assist in other areas.

The format of the night is based on 'Tabloid Activities' whereby fathers/guardians and son complete a range of activities. If fathers are unable to attend, then a guardian or older brother is more than welcome to come along and enjoy the evening.

The evening will commence at 6.00pm with a BBQ outside Moore Hall and "the Games begin" at 6.30pm. The evening will conclude by 9.00pm.

This activity can only cater to a maximum of 144 participants (74 Pairs). The College will email the TryBooking link to Year 7 parents on Tuesday 10 March, so please secure your booking via PAM.

Entries on the evening cannot be catered to.

A donation of \$10.00 per family (payable when you book through TryBooking) includes all food and drinks.

All enquiries can be directed to community.events@parade.vic.edu.au

Working Bee – Sunday 15 March

The College will be holding a Working Bee at both the Preston and Bundoora campuses on Sunday 15 March from 8.00am to 12.30pm.

Come along and be involved in the College.

Enquiries can be made through "Parents of Parade" group via their email pop@parade.vic.edu.au

Staff Curriculum Professional Development Day – Friday 27 March

Please note that there will be no formal classes for students on this day as all staff are involved in a Professional Development Day.

Evacuation Drills

Parents should be aware that the College conducts regular evacuation drills throughout the year. These drills are a normal part of the College's Emergency Management Plan.

The drills serve as an educative tool and allow the staff and students to practice and discuss evacuation as a positive and normal procedure within the community.

In the rare occasion that the College needs to implement its emergency plans parents will be communicated with via SMS.

Remember to take your EpiPens with you when going on an excursion or to an event - if you forget your EpiPen you can't leave the College

First Aid Service

Parents would be aware that the College runs a First Aid Centre in support of the community during the school day.

Our First Aid trained staff are permitted to provide your son with medications as directed by a Medical Practitioner as part of a registered plan, such as Ventolin or an EpiPen.

Staff are not permitted to distribute medications such as paracetamol and anti-inflammatory medications.

Parents will be contacted to pick up their sons from the school if such medications are requested.

Any student who presents to First Aid with any head or neck contact must be picked up by parents as per the College's procedure.

EpiPen's and Excursions

Parents of students that are at risk of anaphylaxis should be aware that, in response to Ministerial Order 706, it is College policy and a requirement of legislation, that students who attend the College must have supplied the College with a valid EpiPen and a current anaphylaxis action plan for their personal use.

Immunisations Information: Year 7

Student becomes the Teacher

Over the past three weeks, the Year 12 Sports Academy boys have been completing a literacy assessment. The assessment met the VCAL outcomes relating to writing and oracy for practical purposes. The assessment consisted of two students pairing up, acting as a client's personal trainer, and training them for three 50-minute sessions in the new Peter Bedford Centre.

The clients were some of our Parade College staff with their focus being on functional strength training and cardio. These sessions included an introductory chat, pre-testing and post testing to see if the clients had improved on their previous results. The seven clients chosen for this assessment were Mr Harris, Mr Shelton, Mr Turner, Mr O'Kearney, Mr Seymour, Mr Fermanov and Mr Rajendran.

The Sports Academy boys successfully ran all three of these sessions and all staff made some big improvements in regards to their pre-test results and goals. Overall, it was easy to see by these improvements that the boys took a serious interest in their clients and worked well to help improve the fitness of these staff.

We would like to thank the seven staff that participated in this assessment and for taking time out of their busy schedules to help us with our VCAL literacy outcomes.

Year 10 Community Action Program

For our Year 10 Community Action Placement eight students are part of a special project with the residents from Bundoora Retirement Village. We have each been assigned a resident and we are documenting their life story.

The 'This is Your Life' project has us meeting the residents at the village every Thursday afternoon, where we spend time getting to know them and asking them about their life journey, their families, their struggles, and their life success.

Through this interaction we have learned important lessons such as always taking up opportunities offered to us. We have also learned how hard life once was, especially in the decades after the depression. We have also shared some of our life experience with our new friends.

In a couple of weeks' time we look forward to presenting their life story in print at an afternoon tea to be held at the College.

Captains Report

As the first term progresses, both teachers and students have all settled back comfortably into the new year at Parade. There has been plenty of things around the school to keep students busy, with Open Day, Years 7 and 8 Athletics Carnivals, Commencement College Assemblies, and plenty of extra-curricular groups and activities getting organised and setup.

An upcoming and exciting event the new Year 7s look forward to is the Year 7 Camp and Treacy Trail Walk, which is an exciting time that I still remember fondly to this day.

On the three-day Camp, the Year 7s get the opportunity to get away with the other members of their designated House, including the members from both the Bundoora and Preston Campuses. Looking back to my own experience, I remember this camp as one where I made friends that I am still close with to this day and developed a strong relationship with my Tutor Group members.

The Treacy Trail gives the Year 7s an opportunity to learn about the heritage of the College and the Founders, as well as visiting the "Bluestone Pile" where the original Parade College stood, which is now the Catholic Theological College on Victoria Parade in East Melbourne.

2020 is already shaping up to be full of new and bright ideas, and I encourage every student to take up every opportunity they have at the College. Time is free, but it is Priceless.

ACC Swimming Championships 2020

Last Thursday night the Parade Swimming Team competed in the ACC Swimming Championships.

The Division 1 competition at any ACC Carnival is a hotly contested event and the boys who represented the College were outstanding. In 2019, we finished in 6th place and we were looking to better that in 2020.

At the conclusion of the carnival we finished in 4th place overall and were joint winners of the Under 13 pennant.

This overall team result is a credit to all the boys who swam and to all the boys who attended as members of the squad.

A highlight of the evening was watching our Swimming Captain Jayden Carr (Year 12 H05), pictured below, break the ACC Senior 50m Butterfly record. This is his second ACC record over the past two years.

Whilst it was a great team effort throughout the night, listed are students who won individual ACC events.

Jayden Carr (Year 12, H05)

Senior – 200m Freestyle - 2.00.48s, Senior – 50m Freestyle – 25.25s, Butterfly 26.50* (ACC Record) & 50m Backstroke 28.89s.

Makaio De Thomas (Year 9, T15)

Under 15 - 50m Freestyle – 26.45s & 50m Butterfly 30.62s.

Harper Wallace (Year 8, L21)

Under 13 – 50m Freestyle – 29.95s, 50m Butterfly – 26.18s* & 50m Backstroke – 36.42s.

Congratulations to all swimmers on not only their efforts in the pool, but also in the manner in which they conducted themselves throughout the night.

Thanks also to the parents and Parade staff who were able to support the team on the night and a final acknowledgement of Mr John Cornish (Swimming Coach), Mr Ben Turner (Sports Coordinator - Bundoora Campus), Mr Paul Watson (Sport Convenor – Preston Campus), Mr Nicholas O’Kearney (Sport Assistant) who assisted with training and were officials on the night.

ACC Athletics Championships 2020

Parade Sportsman of the Year

The Sports Department are excited to launch a new initiative that rewards performance and participation in the ACC Sports Program.

Students have the ability to gain votes from their coaches that will contribute towards the Year Level Sportsman of the Year and also the Parade Overall Sportsman of the Year.

Representing the College in more teams results in the more points you have the chance to gain. All of the Major Carnivals will also be an opportunity to gain points for each event that is competed in.

The Sportsman of the Year Awards will be presented at the end of year Sports Presentation Night.

State and National Representatives

The annual College Magazine, the Paradian includes a section relating to Sport, which encompasses both ACC and external sports.

To celebrate the performance of students, am asking for all students who have represented Victoria or Australia in a Sport to email myself with details of their involvement. My email address is paul.groves@parade.vic.edu.au

Epipen's and Excursions

Parents of students that are at risk of anaphylaxis should be aware that, in response to Ministerial Order 706, it is College policy and a requirement of legislation that students who attend the College must have supplied the College with a valid Epipen and a current Anaphylaxis Action Plan for their personal use.

In order for a student to attend an excursion or event off the premises they must carry their individual College Epipen **and** their spare Epipen from home with them. This is to ensure that sufficient medications are available should the student require them.

Anaphylactic students who do not have their Epipen's with them will be unable to leave the College premises to attend offsite activities.

If parents have specific enquiries about Epipen's please contact Ms Ireland in First Aid at our Bundoora Campus.

Delivery of Messages and Unplanned Departure of Students

Parents and Guardians are reminded that timely delivery of messages and/or personal items is not possible due to constant student movement in a Secondary School.

Whilst every reasonable attempt will be made to deliver **important messages only**, parents are advised that we cannot guarantee timely delivery.

Parents/Guardians arriving unexpectedly requesting to collect students for urgent appointments may face a delay of up to **45 minutes**. Please ensure you allow sufficient time prior to the appointment.

Year 7 and Year 8 House Athletics Carnivals

The Year 7 and Year 8 House Athletics Carnivals have been run and won, with all students having a great time out on Bunjil Park. The Year 8s competed first with the program identical to last year as students would compete in events such as the 100m, High Jump and Discus.

After all of the 100m heats had taken place, we narrowed the field to eight finalists as they vied for the title as the fastest Year 8. This year it would be Lachlan Reynolds of B20 who would take out the crown. Bodkin House were the comfortable winners on the day (pictured right).

The following week it would be the Year 7s turn and with weather conditions a little warmer, all students enjoyed an afternoon filled with athletic events. Following the same program as the Year 8s, the Year 7 100m final was a very close race with Alex Platanas of L13 claiming the victory. Our overall winners and completing the double were Bodkin House, capping off a huge two weeks. Well done to all students!

Year 7 ACC Sport Trials (Bundoora students only)

As most parents would now be aware, we are in the middle of trials for a number of approaching ACC sports. The Football and Soccer trials are currently taking place during the students Thursday afternoon sport time. The first alterations to the list for Soccer and Football will take place in the week ending 20 March. Other sports currently in trial mode are Tennis and Cricket. The details regarding each sport are as follows:

Cricket – The trial process for some students started at the Open Day. The next session is Monday 16 March, after camp week. It is advised that students bring their own gear in for training; bags can be dropped off to College Hall in the morning. List changes will be made along the way. Training starts at 3.30pm and finishes by 4.30pm in the College Cricket Nets.

Tennis – Following on from Open Day, trials will continue for the Year 7 Tennis team. The next trial for this group will

*Above Lynch Year 7 Winning House
Below Hughes Year 8 Winning House*

take place on Monday 16 March. All trials will commence at 3.30pm and conclude by 4.15pm.

*Preston students will be alerted by Mr Watson when Cricket and Tennis trials will commence.

Year 7 ACC Basketball Trials (Students from both Campuses)

Due to the demand for spots within the Year 7 ACC Basketball Program, the Sports Department, in conjunction with coaches from the Diamond Valley Basketball Club, have decided to commence the trial process in the upcoming school holidays. Even though the basketball season does not officially commence until the start of Term 3, most students we find are involved in Football and Soccer throughout Term 2. The trials will be held from 9.00am to 12.00pm in Moore Hall on Monday 30 March and will involve skill development and match play.

If students are not away then they should make the effort to attend however, this is not the only Basketball trial we will have. A meeting for all interested players will take place in the lead up to the school holidays. Any queries please see Mr Turner.

From The Old Paradians

"I Am Truly Humbled" - Andy Kuppe's Historic Assembly Address

Old Paradian Andy Kuppe (1983) was today formally commissioned as Parade's new Principal.

Andy's commission - together with that of the newly-appointed Deputy Principal and fellow Old Paradian Mark Aiello (1990) - took place in Moore Hall at the Bundoora Campus before more than 1900 students, teachers and staff who had gathered for Term 1 Assembly:

In an historic moment, Andy took the pledge in the presence of his mother Ursula and brother Mick, and his predecessor as Principal Dr Denis Moore cfc - Parade's last Christian Brother to serve in that capacity in almost 150 years. Dr Paul Shannon - Director of Learning representing Edmund Rice Education Australia and President of the Old Paradians' Association - was then called upon to commission Andy as Principal.

Riders Old and New Complete Annual OPA Bike Ride

Pictured posing for posterity in front of the Melbourne city skyline are current Paradians and Old Paradians from as far back as 1966 - all of whom successfully completed the seventh annual OPA Bike Ride on Sunday (February 16).

Seventeen cyclists, including a father and his two sons, took part in the ride. They are from left to right: Michael Jackson, Max Ibic (Year 7), Robert Ibic, Joseph Ibic (Year 10), Kavindha Chandrawanka (2008), Damian Anthony (Year 10), Matt Donoghue (1989), Deon De Beer, Damian Cattenazzi (2008), Peter Gilmartin (1968), Tony Bianco, Paul Schofield (1991), Dino Rebellato (1978), Simon Rebellato (2017), Paul Davies (1966), Chris Natoli (1989) and Alex Haffenden.

The OPA's annual 40-kilometre ride, which takes in the Yarra and Darebin Bike Trails, began at Parade's Preston Campus at Clifton Grove and ended at Parade College Bundoora, by way of the 'Old Bluestone Pile' at East Melbourne and the old Preparatory College at Alphington.

By George! Beeden's contribution to College Song

For years the College song has been belted out by countless thousands of students both past and present – and yet few if any would know of its origins.

Thankfully, the story behind the story of the song's genesis has been well-documented – from as far back as 1961 when *The Paradian's* unnamed correspondent recorded the passing of one of the tune's lyricists – to more recently in 1994 when the ode's roots were examined in greater detail by the current Principal Andy Kuppe, then *The Paradian* editor.

Broadly speaking, the College song can be sourced to the pre-World War II year of 1937, when three men committed their collective talents to the formation of the song - Br Bernard Murphy, Br Harry Parker and Old Paradian George Beeden.

Remembering Ron Barnett 1933-2020

Ron Barnett, a final year student of Parade in 1950, Secretary of the Old Paradians' Association in 1956-'57 and part of Rene Stella's planning team for the building of Parade College Bundoora back in the 1960s, has died after a long illness. He was 86.

Two years ago, in what was the 50th anniversary of the formal opening of the Bundoora campus in 1968, Ron and another Old Paradian Michael Renehan (1948) were acknowledged for their contributions to the building of Bundoora as members of Rene's team. Ron is pictured with his certificate following the presentation.

He may be gone, but for as long as there's a Bundoora Campus Ron's legacy truly endures. Full tribute, images, click on the link - <https://www.oldparadians.com.au/old-paradian-stories/remembering-ron-barnett-1933-2020>

“Vale AA” – A Teacher's Tribute to Anthony Aulsebrook

Recently pictured here with his grandson Cohen, Anthony's connection with the College can be sourced way back to the mid-1950s. In the 1957 edition of *The Paradian*, he features amongst fellow Grade 4 class leaders – the same year he emerged Dux of the class.

Fast forward to the 1966 edition and he is photographed rubbing shoulders with fellow Parade prefects Michael McInerney and the captain of that year, Terry Moran.

In a section headlined PREFECTS, 1966, the following is reported;

Anthony Aulsebrook: *Tony, a Paradian for twelve years and now a second year Matriculation student hoping to study medicine at Melbourne University, is the eldest son of Mr. and Mrs. E.F. Aulsebrook, Heidelberg. Vice-Captain of Treacy, and Secretary of Our Lady's Sodality, he is also a committee member of the Chess Club. Tony's varied interests include golf, table-tennis, basketball, dancing, billiards and sound recording.*

Anthony later returned to Parade in a teaching capacity, mentoring Form 3 students and later committing his energies as coach of the Under 14s a school football team, together with the under 14s, 15s and 16s basketball teams, amongst the first of Parade's round ball players.

Anthony's teaching career took him beyond Parade's gates - and as his lifelong friend and fellow former Parade teacher Michael Kennedy reveals in the following tribute – presented him with a myriad of opportunities through a life well-lived.
